Unfilled Orders Gain Slightly in Northwest Mills

SEATTLE, Jan. 29.—(AP)—Unfilled orders of 215 identical mills reporting to the West Coast Lumbermen's association in the week ending January 23 increased 1,600,000 feet over the previous week.

A total of 324 mills reporting to the West Coast Lumbermen's association for the week ending January 23 operated at 23.0 per cent of capacity, as compared to 22.1 per cent capacity for the previous week and 38.0 per cent for the same week last year. During the week ended January 16, 217 of these plants were reported as down and 107 as operating those op-

Excellent Preparation For Catarrh, Catarrhal Deafness and Head Noises

If you know someone troubled with catarrhal deafness or head noises due to catarrh, hand this to him and you may save the poor sufferer from total deafness. We believe catarrh is caused by a constitutional disease and that salves, sprays or inhalers merely give temporary, not permanent relief from its distressing symptoms. Therefore, much time has been spent in perfecting a pure, gentle, yet effective tonic that should quickly expel all catarrhal poison from the system. It proves a very simple and inexpensive home treatment.

Secure from Tiffany-Davis Drug Co., or your druggist one ounce of Parmit (Double Strength). Take this home and add to it 1/4 pint of hot water and a little sugar. Take one tablespoonful four times a day.

The first day should start relieving the distressing head noises, headache, dullness, and cloudy thinking, while the hearing should rapidly return as the system is invigorated by the tonic action of the treatment. Loss of smell, taste, and mucous droppings in the throat are other symptoms of catarrh often overcome by Parmit. If nearly 90% of all ear troubles are directly caused by catarrh, there must be many people whose hearing could be restored by this effective home treatment.

All sufferers from catarrhal deafness or head noises due to catarrh should give Parmit a trial.

TRoubled All Life WITH CONSTIPATION

But Kellogg's ALL-BRAN Brought Real Relief

If you are subject to headache, loss of appetite and energy, sleeplessness and other effects that often result from constipation, Mrs. Turner's voluntary letter.

"For the past six months I have been eating Kellogg's ALL-BRAN and cannot praise it too highly. 'Am fifty years of age. All my life have been troubled with constipation. Kellogg's ALL-BRAN has only helped me, but has cured me. 'I thought I couldn't like the taste of bran, but Kellogg's ALL-BRAN is delicious.'—Mrs. C. Turner, 507 Hanover Street, Portland, Mass.

Tests show ALL-BRAN contains two things which overcome constipation: "Bulk" to exercise the intestines; Vitamin B to help tone the intestinal tract. ALL-BRAN also supplies iron for the blood.

The "bulk" in ALL-BRAN is made like that of lettuce. Inside the body it forms a soft mass, which pushes the intestines of waste.

Certainly this is more natural than taking pills and drugs—often harmful. ALL-BRAN is a habit-forming. Two tablespoons daily will correct most types of constipation. If you have intestinal trouble not relieved this way, see your doctor.
