

BUSINESS WOMEN PROTEST "AD" IN PAPER ON SCHOOLS

Fiercely protested was voiced by the Eugene Business and Professional Women's club Thursday against an advertisement appearing in the Oregon Business Woman for October, supporting what is advertised as "the school consolidation bill to be voted on in the November election."

The Oregon Business Woman is the official state magazine of the Oregon Federation of Business and Professional Women Clubs, edited by Miss Merle Hollister, Corvallis.

The Eugene club is sending a letter to every club and every club president in Oregon, protesting the publishing of the advertisement on the grounds that the federation has always taken a stand against supporting any side in politics.

The letter from the local club to be sent out is as follows:

"On page 14 of the October number of The Oregon Business Woman, under the heading 'Beware' appears a statement of the policy of The Oregon Federation of Business and Professional Women. Referring to attempts to drag the organization into political activity, this article says:

"Nothing will so soon tear our organization apart as to permit such matters to enter into our federation. Our Constitution forbids such, and wisely so.

"It is with some surprise, therefore, that we see upon the back page of this number a full page advertisement in behalf of the school moving bill, in which the measure is referred to as the school consolidation bill in spite of the fact that the Supreme Court of this state refused to let this measure go upon the ballot as a 'school consolidation bill.' This statement in the advertisement is obviously intended to mislead; and the advertisement contains other statements which many members of this organization will consider to be just as false and untrue. The publication of this advertisement will be, and is, resented by them.

"We realize that this is a paid advertisement and that the organization, by publishing it, does not necessarily endorse it. Nevertheless, the proposition therein supported is probably the most controversial one before the people of Oregon today. It would seem that it would be wise for the magazine and its editor to follow the policy advocated in its own article and enjoined by the constitution of this organization, even in the publication of advertisements."

Mrs. George P. Winchell, prominent club woman of the city, addressed the group on "Party Platforms."

While the republican and democratic parties both express favor and belief in many relief measures, neither gets down to brass tacks to tell how the relief will be brought about, or how soon there can be relief, she said. The democratic party goes the republican one better in favoring federal aid to the states in solving the unemployment and relief situations, but does not say how it will be done and how soon, she said.

Mrs. Winchell then went to the socialists, saying that while they demanded five billions of dollars worth of relief right away, they immediately turned around to say how they would get that five billion—by heavily taxing the huge incomes and by placing a larger inheritance tax. The socialists offer the only direct and immediate relief program, she said. The millions of people out of work are sick and tired of being always on the ragged edge of losing their jobs, losing their homes, seeing their wages lowered, and seeing their children starve, the speaker pointed out, adding that these people and many more are going to make a protest vote against the established system.

Russia should be recognized and tariffs lowered, also, Mrs. Winchell declared.

The club's next meeting will come two weeks from Thursday.

Zasu Pitts and James Gleason, above, furnish much of the comedy in "Crooked Circle," first run mystery comedy, which comes to the Colonial starting Thursday.

tended to cut the market for United States copper; bacon, dairy products, condensed milk and almost all fruit products. Wheat from the United States, for instance, will pay a duty into Britain of about 4 1/2 cents; Canadian wheat will pay no such duty.

The figures for the United Kingdom market for the first half of 1932 showed a remarkable gain for Canadian soft woods. Exports from Canada to the United Kingdom jumped from 218,000 pounds in 1931 to 372,000 pounds in 1932, while the United States' exports to Great Britain dropped from 642,000 pounds to 492,000 pounds. For the first time in years, he said, British Columbia exports of lumber to the United Kingdom exceeded those of Oregon and Washington.

Ucla Football Boys Stop at Sacramento

SACRAMENTO, Cal., Oct. 13.—(AP)—Members of the U. C. L. A. football squad stopped off here today for a 45-minute practice scramble in a railroad gravel yard before continuing to Portland where they meet the University of Oregon in a Pacific coast conference game Saturday.

While his players practiced defensive moves and line attacks in the gravel yard Coach Bill Spaulding commented on the forthcoming game. He said he expected a tough fight but that his men are in a good frame of mind and eager to go.

DEMOCRATS GAIN IN REGISTRATION

SALEM, Oct. 13.—(AP)—Democratic registration in the first three counties to report to the secretary of state for the November election showed increases over the registration four years ago, while the republicans showed increases in two. The three counties to report complete registrations are Gilliam, Hood River and Morrow.

In Gilliam county the republican registration dropped from 1,333 four years ago to 876, while the democrats increased from 479 to 811. Miscellaneous registrations totaled 10. The total of 1,697 is 198 less than in 1928.

Hood River registrations include 2,592 republicans, 1,146 democrats and 91 other parties for a total of 3,829. In 1928 Hood River listed a total of 3,369 voters of which 2,439 were republican and 822 democrats.

Morrow county this year listed 1,725 republicans, 584 democrats and 82 miscellaneous for a total of 2,397. This is an increase of 60 republicans, 53 democrats or a total increase of 58 in the county for all parties.

Missionary Rally Planned at Church

C. F. Swander, superintendent of missions in the state of Oregon for the Christian church, will present to conduct a missionary rally at the Eugene First Christian church Thursday evening.

The rally will start with a potluck supper at 6 o'clock, and will close at 7:30 o'clock for the evangelistic services being conducted by Rev. Teddy Leavitt.

There will be delegations present from Thurston, Noti, Elmira, Marcola, Pleasant Hill, Santa Clara and Fairmount churches for the services.

Mr. Leavitt spoke Wednesday evening on the subject of "The Foolishness of God." He gave several illustrations from the Bible showing that what people often thought was the foolishness of God is wiser than the wisdom of men. The Poole quartet sang several negro spiritual numbers. Mr. Leavitt will speak Thursday on the subject "What Shall We Do With Christ?" Paul Christen will sing at the service this evening.

All State W. C. T. U. Officers Re-Elected

SALEM, Oct. 13.—(AP)—All state W. C. T. U. officers were re-elected today at the state convention. Mrs. Ada Jolley of Portland will head the organization for the sixth successive year.

Other officers named were Mrs. Rachel Ellis of Madras, vice-president; Mrs. Frances Swaine of Portland, corresponding secretary; Mrs. D. G. Clark of Harrisburg, recording secretary; and Mrs. Alice Thomas of Portland, treasurer.

PIPE FOR HER!

Relaxing from her labor of designing Hollywood styles, Mms. Lisbeth Krausz, Viennese designer, gave the movie capital something to talk about when she calmly took out her favorite pipe and started puffing.

Mme. Krausz will remain in Hollywood about two weeks, so by that time your favorite unrelaxed movie queen may be puffing her own corn cob.

until he returned. Then Smith conferred with Newton while the others remained in the lobby of the White House offices, a restless, uneasy group.

Demands Listed

In addition to demanding cash payment of the bonus and censuring those who forced the bonus army from Washington in the exciting, tumultuous days at the end of July, the petition asked:

- 1.—That immediate steps be taken by the federal government to issue the B. E. F. proper clothing, such as uniforms, underwear, shirts, socks, hats and overcoats.
- 2.—That the B. E. F. be loaned sufficient cots, mattresses, blankets and other "commodities" to make them comfortable this winter.
- 3.—That food or a cash ration not less than 15 cents a day per man be granted for care of the veterans.

The petition concluded with this statement:

"We, the assembled representatives of the B. E. F., do hereby severely censure you and those of your administration who took part in and the means used in the forcible eviction of the B. E. F. from the District of Columbia on July 28-29, 1932."

CITY DELEGATES AT MEETING HERE

City officials from all over the state gathered at the University of Oregon campus Thursday to start the two-day session of the League of Oregon Cities. Meetings are being held in Condon hall.

A feature of the convention will be a dinner at the Osburn hotel Thursday evening at which Eugene service clubs will be hosts to the visiting delegates. The dinner starts at 7:30 o'clock.

The legislative program of the league was being discussed at the Thursday afternoon sessions and committees are to be appointed to work out the various legislative needs decided upon by the league.

Friday sessions will be held all day. Topics to be discussed include taxation, dog license tax maintenance of state highways in cities, budgets and city bonds.

William M. M. Briggs, of Ashland, is president of the league and J. L. Franzen, of Oregon City, is secretary. Thirty-five delegates attended the sessions Thursday, several Eugene city officials among them.

Man Fined \$25 On Charge of Larceny

Walter Bonney was fined \$25 in justice court Thursday on a charge of larceny.

He had been bound over to the grand jury on a charge of larceny in a dwelling, but the charge was reduced to larceny alone.

Ray Swenson was cited into court for operating without a license for

City Budget to Be Considered Shortly

R. S. Bryson, city recorder, was engaged in preparing a tentative city budget Thursday, to be submitted to the city budget committee which is soon to be appointed by Mayor Elisha Lorge.

The city budget must be prepared and approved by Dec. 1, Mr. Bryson said. Estimated expenditures for the coming year are not yet compiled.

dancing besides various other numbers. The program is being arranged by Ted Charles. Crosby Owens is in charge of the publicity committee for the mass meeting and Dean McAlpin is in charge of radio programs in connection with the event. Cliff Turner and Morris Osburn have charge of preparing the armory for the meeting.

The committee in charge is considering charging an admission to the meeting, Harlan said, the admission to consist of five letters or postcards written to friends or relatives in this state. Persons are urged to write as many persons as possible, inclosing literature which may be secured at Little Denny hall or at the armory Wednesday night. A big box will be placed outside Little Denny hall to collect the letters.

Speakers will appear in Eugene theaters announcing the meeting and urging a wide attendance on that evening, Harlan announced.

BANKERS PLAN STORY

county's national banks, T. C. Stewart, cashier of the First National bank of Cottage Grove, and C. B. Washburne, cashier of the First National bank of Junction City, were instrumental also in working out the plan.

At the close of business Saturday night, deposits in the Springfield bank were reported to be approximately \$90,000. Thus about \$45,000 will be made available soon to depositors.

Assets Held Sound

"William G. Hughes, president of the Springfield bank, and the directors and stockholders of the bank rendered us every assistance in looking over the assets and formulating our plan," Mr. Edmunds and Mr. Houghlum

said Thursday. A report on the actual condition of the closed bank's assets is practically impossible right now, but the fact that the other banks of the county have agreed to make available 50 per cent of the deposits now regarded here as testimony that the assets of the closed institution are of sound character.
