HI-JINX WILL BE GIVEN NEXT WEEK

One of the features of the annual hi-jinx at Eugene high school next Thursday and Friday nights will be "The Sad Fate of Rastus Rat," or "Mickey Mouse Chases the Cheese," written by Miss Juliet Claire Gibson, English instructor and produced by the Mask and Dagger club under direction of Mrs. Ethel Chase Christie.

Although she loves her Mickey, Minnie Mouse must marry the villainous Rastus Rat or he will foreclose the mortgage on her father's home. In order to prevent this disaster Mickey Mouse must recover every "cent" of the cheese.

The cast includes Helen Borrego as Minnie Mouse; Chet Horn as Mickey Mouse; Sid Milligan as Rastus Rat; Joe Hill as Pop Mouse; Chuck Humphries as Christopher Mouse, the minister; and Bonnie Spaulock and Marjorie Bush as the Mouse policeman.

Other features in the hi-jinx are: "Born Thirty Years Too Soon," written by Catherine Kingwell and Clayton Van Lydegraf, and presented by the senior class; a dancing chorus by the junior class, "And the Light Went Out," by the sophomore class, also shadow pictures by Joe Hill and Elton Owen.

"What Attempts Have Been Made to Solve the Liquor Question, and With What Result?" Through the open forum discussion, the advantages and disadvantages of five methods will be pointed out. These have all been tried: One—Open saloons; Two—Local option; Three—State rights; Four—Government control; Five—National prohibition.

Special music will also be a feature of the meeting.

Young people in the university and in business are invited to attend the weekly meetings of this society. Ruth Orrick is president of the group, and Dr. Victor P. Morris and Mrs. Morris are its advisers.

State-Wide Mining Congress Discussed

Possibility of the extension of the Western Oregon Mining congress into a state-wide organization was seen here Thursday with the receipt of a letter from Eliska A. Baker, well known Portland attorney, seeking names of the officers of the congress.

The letter, written to the Eugene chamber of commerce, expresses great interest in the local congress and declares that there is a crying need for a state organization along the same lines. The only thing lacking to make Oregon a leading mining state, the letter points out, is greater cohesion in the industry.

Lighthouse Temple Gives Many Clothes

The Lighthouse temple store house has been open all this week to the needy for clothing. After this it will be open each Tuesday until it can be moved into a larger and more convenient room of the temple basement, it is announced.

Many needy families have been aided this week. Monday between 300 and 400 articles of clothing were given out and Tuesday nearly as many. Nine quilts were given away in September and 16 quilts and a few blankets in October. These quilts have been given to very needy families, mostly in homes where there is sickness.

"The people of this city and surrounding country have been very generous in their donations to us, for which we are thankful. Most people know that the workers receive no salaries or compensation of any kind and that everything is given away free of charge," said Rev. Harry Nest, the pastor. "We have given out so much this week that we are getting very low on things wearable."

To make Children EAT

Don't force children to eat! The girl or boy who has no appetite has stasis—which means the child is sluggish. But cathartics have caused more constipation than they ever cured! The "California treatment" is best—just pure syrup of figs. Try this for a few days, then see how eagerly your youngster will eat.

How to Conquer Sluggishness

Stimulate the colon and that child with a finicky appetite will devour everything set before him. Here's the simple treatment that does more for babies or older children than all the diets, fast foods, or tonics.

Nature has provided the "medicine" you'll need to stir your child's colon muscles into proper action. California syrup of figs. Pure, delicious, harmless. It acts on the lower colon—where the trouble is. It has no ill effects on the intestines.

Begin tonight, with this marvelous "California treatment." Any druggist has California syrup of figs, all bottled, with directions. Use enough the first time to cleanse the clogged colon of every bit of poison and hard waste. Then just a little twice a week until the child's appetite, color, weight and spirits tell you the stasis is gone. Whenever a cold or other upset clogs the system again, use this natural vegetable laxative instead of drastic drugs.

WARNING: These are dealers who practice substitution. Be sure to protect your child by looking for the name CALIFORNIA on the bottle.
