

# Washington And Washington State Battle To Scoreless Tie In Seattle

## RAIN-SOAKED MEN UNABLE TO SCORE AS STUDENTS FIGHT

By FRANK G. GORRIE  
Associated Press Sports Writer  
WASHINGTON STADIUM, Seattle, Nov. 12.—(AP)—Washington's rain-soaked gridiron and a bunch of students who came to blows over a stuffed cougar took the only beatings in the stadium today as Washington State College and the University of Washington football teams fought to their first scoreless tie in the 23 games between the two schools.

The well groomed Jimmy Phelan of grassy field looked like a muddied swamp after the two eleven battered and pounded in vain for victory which would have carried the collegiate championship of the state and possibly the northern division Pacific Coast conference crown.

The Cougars Come Close  
The Cougars of Washington State came the closest to winning when they charged to Washington's five-yard line in the second period and to the Huskies' two-yard stripe in the third but the drives were met and turned away by a fighting band of Purple and Gold warriors.

Washington's best opportunity for a touchdown came on the last play of the first half when a long pass was just out of the reach of Ed Clinton, substitute end, as he crossed the Cougar goal line.

In celebration of homecoming day at Washington several Husky students struted out on the field between halves carrying a mounted cougar which old grads of the school had taken from Washington State several years ago and a battle of flats followed when W. S. C. rooters swarmed after it.

Many W. S. C. students who had come to cheer their team dashed out of their seats to recover the cougar for their school and hundreds of rooters from the Washington section came to help their comrades. A rough, shoving and hitting battle followed and lasted for 15 minutes until police broke up the pow-wow.

**MUSTANGS WIN**  
DALLAS, Tex., Nov. 12.—(AP)—Coach Ray Morrison, wizard of the forward pass, saw his Southern Methodist University Mustangs win their first 1932 Southwest conference game today. They fought from behind to defeat the University of Arkansas 13 to 7 after Arkansas had taken a 7 to 0 lead in the first three minutes of play.

**DOC SPEARS' MEN TAKE MINNESOTA**  
MADISON, Wis., Nov. 12.—(AP)—Wisconsin rose to unexpected heights today to score a 20 to 13 victory over Minnesota in the forty-second renewal of their rivalry, the oldest in the middle west.  
Walter "Mickey" McGuire, an Hawaiian youth with an Irish name, whose fleetness of foot was only overshadowed by his ability to snare passes in the pinches, led to Minnesota's downfall. He scored all Wisconsin's touchdowns, the final in the last minute of the game.

**HARVARD WINS**  
CAMBRIDGE, Mass., Nov. 12.—(AP)—After weathering a stubborn Holy Cross attack for three periods, Harvard's hard fighting football forces today lessened the string of recent humiliations by converting its only opportunity into an unexpected 7-0 victory over the purple-clad crusaders.  
Three times the powerful invaders surged inside the Crimson's 10 yard line, but they were punched needed to dent the desperate goal line stands.

**Cornell Defeats Hanover, 21 to 6**  
ITHACA, N. Y., Nov. 12.—(AP)—The Big Red Wave of Cornell swept to tidal heights by the power of Captain Bert Viviano and the drive of a pint-sized sophomore quarterback, Walter Switzer, rolled over Dartmouth 21 to 6 today to close the season for the Hanover Indians in a mass of wreckage. A crowd of 20,000 witnessed the Red victory.  
For five years Cornell had gone without victory over its ancient foe from New England.

**UTES WIN AGAIN**  
SALT LAKE CITY, Nov. 12.—(AP)—Coach El Armstrong's Utah Indians virtually clinched their fifth consecutive Rocky Mountain conference football title by scalying Denver University's Pioneers today, 27 to 0.

## LEAGUES' YOUNGEST MANAGER!

Youngest man ever to manage a major league baseball team is Joe Cronin, brilliant 25-year-old shortstop who has been appointed to succeed Walter Johnson as pilot of the Washington Senators. Here Cronin (left) is shown being congratulated by Clark Griffith, president of the capital city club.

**OHIO STATE BEATS PENNSYLVANIA, 19-0**  
COLUMBUS, Nov. 12.—(AP)—A valiant band of Quakers from the University of Pennsylvania today tasted Ohio State's sample of Western conference football to the sting of a 19 to 0 defeat.

All the latent power in the Ohio lineup sprang into life as the Buckeyes pounded away for three touchdowns and only once allowed the Quakers within scoring distance.

Captain Lew Hinchman, collaborating with Sid Gillman, Rosequist and Oliphant, passed Penn off its feet. The vaunted Quaker aerial attack failed to click as the Ohio secondary let only ten of 16 attempted passes reach their marks.

Two of Ohio's touchdowns were due directly to Hinchman's passing. The third resulted from a mental lapse on the part of the entire Pennsylvania team after Ohio, midway in the fourth period, scored its second touchdown on the kickoff. The ball was booted high over the heads of the Penn players and it came to rest untouched in the end zone. As Shanahan and Munger of Pennsylvania both stood over the ball, Varner streaked down the field to fall on it for the touchdown.

**OREGON GAME STORY**  
(CONTINUED FROM PAGE 1)  
return and then picked up 21 yards in four drives through the line. He added 16 yards to injury by flipping a pass to Bob Erskine on the 12 yard line and Erskine never stopped until he had scored. Warburton continued his swift thrusts through the Webfoot defense in the second quarter and before it was very old he had planted the ball on the 11 yard line.

Gordon Clark tried his hand at the business of pigskin packing, and in three plays crossed the goal.  
**Warburton Runs Another**  
Somewhere near the middle of the third period Ford Palmer started things going when he broke away on a reverse over the weak side of the line for 27 yards. Warburton, two-headed fisher, moved to the 14 yard line on two plays and then swept over without opposition by running left end for a touchdown.

With a team of replacements carrying on, the Trojans took advantage of Stan Kostka's fumble on his 31 yard line for the final scoring thrust. Matthews, listed as quarterback number 3, insisted on slicing through the line until he went to the five yard line.

A holding penalty which cost 15 yards failed to dismay these reinforcements, for Matthews tossed a pass to Bob McNeish over the goal line to end the point gathering. A pass over the goal line which fell incomplete terminated the final Trojan drive as the moon peeped over the stadium peristyle and Oregon was headed nowhere on its 28 yard line when the final gun barked.

Kostka turned in the longest run of the day in the second period when he returned Smith's kickoff 47 yards from his four yard line. Only little 141 pound Warburton stood between the 212 pound giant and the Trojan goal, but he forced Kostka out of bounds.

**Defense Stubborn**  
So stubborn was the Southern California defense, which has permitted only one touchdown this fall, that Oregon made first down only once, and failed to complete a pass.  
The Trojans pounded out 12 first downs, gaining 336 yards. They completed four of a dozen passes, three of them for touchdowns and made 107 yards through the air, which was more than the Webfoots could pick up all afternoon.

Oregon outshone in the punting by a convincing margin although Warburton, Griffith and Matthews nullified the advantage with their sparkling returns.  
Temple and Bob Parker averaged 41 yards with fourteen kicks compared with 33 yards for the four or five

## THOR JENSEN WILL MEET GEORGE PETE ON THURSDAY CARD

The big match is on! Thor Jensen, Elkton's thunder and lightning man, and George "Wildcat" Pete, pride of Eugene, will meet in their long heralded wrestling battle.

Jensen's five-year campaign for a match with Pete, which received its first encouragement when he was given a match with Achis three weeks ago, has at last borne fruit and the two grapplers will tangle in the main event on Thursday evening's armory program.

The loud-speaking Jensen, who suffered an injured shoulder in a fracas with the mob after he had knocked out the Chinaman with a blow on the jaw, and then jumped on his face, is back in good shape and announces that at last he is ready to meet the Wildcat.

**Pete is Ready**  
Pete, on the other hand is more than glad of the opportunity to tame the thunderbolt boy who appeared at a local carnival last year and made speeches against the Wildcat. Their dislike for each other is a magnificent thing, and one which promises much for Thursday evening's conflict.

Complete plans for the match have not been announced, but ringside seats will go on sale at Obak's and Luckey's Monday morning. Jensen's pals from Elkton have already applied for seats and according to Thor, are coming here to see that nobody climbs into the ring.  
Herb Owen, promoter for the Eugene wrestling commission, requests that no women plan to sit in the first row ringside. If the party gets rough, as it did three weeks ago, the front row will be no place for a lady. Owen has not announced the supporting card.

**BEAVERS WIN IN MONTANA GAME**  
MISSOULA, Mont., Nov. 12.—(AP)—Oregon State College passed successfully for three touchdowns, knifed through the Montana line for two more and profited by a Grizzly fumble to defeat Montana University 35 to 0 in a Coast conference game here today.

The Grizzlies scored a touchdown on a long run by Stansberry and a forward pass in the first three minutes of play. When the final whistle blew Montana had the ball within a yard of Oregon State's goal line.  
It rained hard throughout the game, as huddled hundreds sat in misery and the players skidded and fumbled in the mud. Forward passes of the spot type accounted for the first four touchdowns.

**Eugene Turkeys Received Friday**  
A large order of turkeys was received here Friday in the first pool of the season for the Oregon Turkey Growers association, but as to how many birds were taken was not learned before officials left the city for Oakland. The birds were received at the Eugene Fruit Growers' association plant up to late Friday night, but it is believed that not quite as many went out as for the first pool a year ago.

Prices advanced were 10 cents on prime birds, 8 cents on choice, and 5 cents on commercial grades, growers to receive more money if sales warrant and when the pool is closed.

**NOTRE DAME ROUTS NORTHWESTERN**  
SOUTH BEND, Ind., Nov. 12.—(AP)—Notre Dame's football machine, heated to the boiling point by one of the most intense rivalries in athletic competition, flattened Northwestern and the icy elements of winter today.  
Roaring along with the power and deception it showed before the dismal invasion of Pittsburgh, the big Rambler machine pushed over two touchdowns in the first five minutes of play and added another in the final period to rout its Wildcat rivals, 21 to 0. It was Northwestern's worst defeat in the bitter football series since the powerful Notre Dame machine of 1920 hung up a 33 to 7 triumph.

The 42,000 faithful, who braved a freezing temperature and a discomfiting snow, spread over the stands by a cold wind, were rewarded with a bruising but brilliant game, which saw the Ramblers come back to their former reputation. The battle was full of thrills from the opening kickoff off when big George Melnikovich electrified the shivering throng by running back Ollie Olson's kick 98 yards for the touchdown that settled the issue. They saw Northwestern, valiant but outclassed, come back to threaten five times from Notre Dame's 23, 15 and 12 yard line, only to lose golden opportunities because of the watchful Rambler pass defense. "Pug" Reutter, star Northwestern back, was the only victim of the hard tackling and hard play, leaving a rib in the first period, but playing until the half before the injury was discovered.

**Portland Offered Distillery On Sale**  
PORTLAND, Ore., Nov. 12.—(AP)—The subject of a municipally owned power plant has come up in Portland at various times, but today for the first time the city was asked to consider acquisition of a high-power plant.  
The Portland chamber of commerce received a letter from C. B. Whitney of Whitney and Whitney, Ltd., brokers of Vancouver, B. C., offering a first class and licensed distillery for sale. Apparently news that Oregon repealed its prohibition enforcement act at Tuesday's election was responsible, chamber officials said.

## HIGHCLIMBER Looks 'em over

By ROY CRAFT  
Southern California paid Oregon a great tribute Saturday afternoon—they beat us 33 to 0.

They didn't take Oregon State seriously, so they only beat Paul Schisler's men 10 to 0.

Prink Callison, if he worries about comparative scores, can get some satisfaction out of realizing that this year's 33 to 0 score was 20 points less than Doc Spears' 53 to 0 score last year.

Oregon put up a good fight under the Southern California sun Saturday afternoon, but Howard Jones' team just naturally was too good for us.

We'll wait till next year, then we'll take them into camp. We've waited long enough now—one year more or less won't bother us.

This finishes Oregon's prospects for a Pasadena Rose Bowl game, but we still have a chance to knock over St. Mary's for the first time in history.

On the surface, Oregon hasn't much of a chance of beating St. Mary's. Oregon lost to U. C. L. A.—St. Mary's beat 'em. But Prink Callison's men have a good chance of beating St. Mary's for a number of reasons.

Principal among these is that the Galloping Gaels have reached and surpassed their season peak. The Morgans always ease up a bit toward the end of the season, and they barely nosed out Oregon last year. No one doubts that this year's Webfoots are stronger than last year's.

On the other hand, the Gaels have won consistently this year on the breaks. It was a pair of lucky breaks that gave the Uclas a victory over Oregon some weeks ago. Against Fordham the many-headed Californians didn't get the breaks, and they lost 14 to 0. If Oregon plays heads up ball, and doesn't suffer any mental lapses, the Webfoots will be our choice to beat Slip Madigan's charges.

The announcer that we listened to gave the Oregon boys a nice hand. He paid a tribute to Oregon's great fullback, Mike Mikulak, and he said nice things about several other of the Oregon boys. However, it's always easy to say pleasant things about the opposition when you are 20 or 25 points ahead.

It was Oregon's pass defense weakness that beat the Webfoots. We don't mean that we think Oregon would have won if they could have stopped the Trojan passes. The men of Troy were too good for that. But completed passes paved the way for a number of the Southern California touchdowns. From one standpoint, the Oregonians did very well on their breaking up of passes. In another story carried elsewhere on this page is a statement concerning the Pennsylvania passing attack. It says, "The Quaker passing attack failed to function this afternoon. The Easterners were only able to complete 10 passes out of 16 attempted." Of course, looking at it that way, the Webfoots did very well. Southern California probably did not complete a larger percentage of passes than that. However, there seems to be a difference of opinion between the footballers of the east and those of the west as to what a successful passing attack really is.

**ARMY WINS**  
WEST POINT, N. Y., Nov. 12.—(AP)—Army scored in every period of today's game with North Dakota State and buried the Bison under eight touchdowns to win 52 to 0.

## EUGENE HIGH WILL BATTLE ROSEBURG ON HAYWARD FIELD

**H**OPING to wind up their already successful schedule with an impressive win over Roseburg, Eugene High will settle down to preparation for the tilt with the Indians to be held at Hayward field Friday night. Eugene looked good against Salem Armistice day, and should scalp the Purple Horde this week.

Whether Coach Kramer was satisfied with his men's showing in the Salem tilt is not known at the present time, but to anyone sitting in the stands they appeared just about right. The line opened the holes, the backs centered through them, and on defense the seconds stopped every thrust the line didn't.

**Owen, Brown Star**  
Elton Owen not only did a wonderful job of signal calling, but was one of Eugene's most effective ball packers. On Eugene's second touchdown drive, Owen accounted for 35 yards in three plays, an average of something over 11 yards a time.

Leonard Brown, at one half, out-kicked the Salem booter consistently, and tossed three complete passes. It was Brown's sensational end run in the first minutes of play that accounted for Eugene's initial score, and it was his accurate toe that put the ball twice between the bars for the extra points.

Owen Perkins, starting his first game in "big league" competition, turned in some flashy runs, and played good ball. Although Perkins is a bit light, he is only a junior, and should develop into a real ball player by next year.

Dick Bishop blossomed out as a crashing, battering fullback, and didn't fail to gain once. The big boy roared through the Salem line, and grabbed by another Badger standing by gave Pacific University a touchdown and a victory over its Northwest conference opponent, Willamette University, 9 to 2, in their game here today. The defeat showed Willamette out of its tie for conference first place, leaving the position to College of Puget Sound.

The pass that meant the margin of victory came early in the first period. The Badger line partially blocked Frantz's kick as he was standing on his own goal line. It went high, but up only to the 16, where Killits took it and returned to the 11. Weinel, fullback, drifted back on the first play and shot a pass toward Parberry, right end.

Blaine Johnson, quarterback, had gone down with Parberry, leading him. Parberry jumped for the pass. It hit his raised finger tips and bounced higher into the sky. As it started down it struck Frantz, defensive halfback, and again bobbed upward. Johnson, turning to watch the play, felt the ball strike his chest. He clung to it and stepped over the goal line, two yards away. The try for point after touchdown, an attempted pass, failed.

**NEBRASKA HUSKERS HOLD PITT TO TIE**  
LINCOLN, Neb., Nov. 12.—(AP)—Little Chris Matheis, 147 pound Nebraska back, and George Hauer, flashing fullback, stole the show as Nebraska put a crimp in Pittsburgh's annual football march in a scoreless tie game today.  
It was the third successive tie game the two teams have played in Memorial stadium here but the Cornhuskers out-spud, out-yarded and out-downed the Panthers today. They lacked the power to make a sustained drive for a score and a last quarter place kick fell far short.

The speeding Huskers drove Pittsburgh's shock troops from the field the first quarter and then proceeded to mark up five first downs against the team that stopped Notre Dame. Twice the Huskers narrowly missed a score.

It was Matheis who started the first serious threat after the Huskers took a short kick on Pitt's 50 yard line. The Husker speedsters skidded around right end for 11 yards and on the third play Sauer tossed a long pass into "Big Berne" Masterson's hands inside the ten yard line. Masterson held the ball momentarily, then it bolted from his grasp. He hurled himself on it but it was ruled incomplete.

**Leaders Training Camp Held Sunday**  
A scout leaders training course, conducted under the auspices of the Willamette scout council, was being held at the overnight camp of the scout's four miles south of the city Sunday. The course started Saturday evening at 6:30 with an inspection of the camp which consists of two cabins, built by two troops, and several others under construction.  
The object of the course is training leaders of boys in the scout movement, declared H. B. Sallee, scout executive, who directed the training work. The course of the training for scout masters and scout leaders tends to instruct them in methods of character building in boys' work.  
The course lasts till noon Sunday with a turkey dinner topping the event at 1 o'clock.

**BROWNSVILLE WINS**  
BROWNSVILLE, Nov. 12.—(Special)—The Brownsville high football team had the ball in their opponent's territory most of the time here at mistle day, when Brownsville defeated the Eugene high second team by a score of 7 to 0. Eugene played a strong defensive game but could not stop Sandy Coebel, who made long gains for the local aggregation. Art Yononius played a stellar game for Brownsville in the line.

**GOLDEN WIN**  
The Colorado School of Mines broke into the victory column for the first time this season and broke a string of six losses with a 13 to 0 win over Western State college in a Rocky Mountain conference game today.

**MINERS WIN**  
GOLDEN, Colo., Nov. 12.—(AP)—The Colorado School of Mines broke into the victory column for the first time this season and broke a string of six losses with a 13 to 0 win over Western State college in a Rocky Mountain conference game today.

## TROJAN!

Here's Dick Barber, Trojan fullback, who had a hand in the Trojan's 33 to 0 defeat of Oregon Saturday afternoon. Barber played a fine game that brought praise from his coach, Howard Jones.

**PACIFIC DEFEATS WILLAMETTE, 6-2**  
PORTLAND, Ore., Nov. 12.—(AP)—A forward pass missed by the Badger it was intended for, batted into the air by a charging Bearcat, and grabbed by another Badger standing by gave Pacific University a touchdown and a victory over its Northwest conference opponent, Willamette University, 6 to 2, in their game here today. The defeat showed Willamette out of its tie for conference first place, leaving the position to College of Puget Sound.

The pass that meant the margin of victory came early in the first period. The Badger line partially blocked Frantz's kick as he was standing on his own goal line. It went high, but up only to the 16, where Killits took it and returned to the 11. Weinel, fullback, drifted back on the first play and shot a pass toward Parberry, right end.

He clung to it and stepped over the goal line, two yards away. The try for point after touchdown, an attempted pass, failed.

**Brown Wins Over Columbia, 7 to 6**  
NEW YORK, Nov. 12.—(AP)—An unbeaten Brown football team which had been outplayed and outscored by unbeaten Columbia through three quarters of their annual game came to life in the last quarter today to march 80 yards for a touchdown, kick the point and send the Lions down to defeat 7-6.

Scoring early in the first quarter Columbia was a constant threat to the Bears goal line and until that sensational advance by Brown starting the fourth quarter the place kick Captain Steve Grens missed for the extra point did not loom as an crucial error. But the Brown touchdown gave Bob Chase his opportunity and the Brown halfback calmly booted the ball through the goal posts for the one point margin of victory.

**Michigan Triumphs Over Chicago, 12-0**  
ANN ARBOR, Mich., Nov. 12.—(AP)—A stubborn Maroon line wavered twice under relentless pounding today, and the powerful undefeated Michigan football eleven, by a score of 12 to 0, added Chicago to its list of seven gridiron victories since October 1.

Huddled in blankets as the snow added through Michigan stadium, 24,000 spectators cheered the Wolverine as they swept another barrier from their conference title hopes, and left Minnesota as the only obstacles to an unbeaten season.

**GAME IS OFF**  
MIDDLETOWN, Ore., Nov. 12.—(AP)—Principal C. G. Smith announced here today that Hood River high school has definitely declined Middletown high's offer for a game here Saturday, for the right to play scholastic league Thanksgiving day left by plans to confer with Portland school authorities.

## PRINCETON'S AIR ATTACK TIES YALE WITH 7-7 SCORE

By ALAN GOULD  
Associated Press Sports Editor  
PALMER STADIUM, PRINCETON, N. J., Nov. 12.—(AP)—Air striking three times at Yale's goal line defense without breaking through, John Paul Kallie, Princeton's star sophomore quarterback, turned his aerial weapons to give the Tigers a sensational 7-7 tie with the Elis today.

All the thrills of this 50th annual battle of ancient rivals, played in a cold wind before a crowd of 40,000 spectators, were packed into the last half as the battling Bengals rallied to match Yale's 80-yard drive that sent Bob Lassiter hurtling over the goal line.

Ken Fairman, Tiger end, crossed the Eli goal on a 20-yard passing play engineered by the versatile Kallie. Pete Fortune, the big tackle from Chicago, place kicked the extra point that proved the big equalizer in a game hard fought from start to finish. Princeton missed the most chances to score, three times being stopped inside Yale's three yard line and once barely a foot from the last yard stripe, but Yale put up a valiant defense as well as running attack.

**Passes Count**  
Fesses figured largely in both touchdowns. Each team registered seven first downs. Yale's slight edge in rushing, 90 yards to 82, was offset by Princeton's greater gains through the air, 120 yards to 49.

The result was the third decisive of the season for these closely matched rivals. Yale was tied, previously by Bates and Chicago, Princeton by Cornell and Navy.

After a scoreless defensive struggle in the first half, marked by the failure of Yale attempts to register a placement field goal with the toe of Clare Curtin, tackle, both teams threw all their offensive weapons into the fray in the last half.

Aided by the wind, which gave Princeton a big kicking edge over Yale, the Elis came back from the trying stages of the battle with a quick scoring rush as Lassiter struck from the ground to an air attack of 34-yard pass to 62. O'Connell kicked the ball on Princeton's 34-yard line. O'Connell then sent a dozen yards on the old around play. Parker took a short pass for another first down, on the 10-yard line, and Lassiter kicked over in three rushes, aided by a yard penalty against Princeton's being offside. Curtin placidly to extra point.

Kallie's subsequent passing by Princeton caught the Eli defense flat-footed the wonder was the fact failed to score more than once. McPartland was on the receiving end on Yale's 20-yard line when he took a toss from Kallie for a 70 yard gain. Fairman two plays later was in the clear as he grabbed a 10-yard pass by Kallie and ran 70 yards to cross the goal line. O'Connell kicked tied the score, but Princeton's though passing back into Yale territory again after the kickoff, did not have enough time to do any damage.

**STANFORD INDIANS BEAT CAL-AGGIES**  
STANFORD STADIUM, Palo Alto, Cal., Nov. 12.—(AP)—Getting back of the band wagon in a big way after three loss weeks, Stanford's Indians smothered the California Aggies with a 50-0 touchdown banquet today. After an unimpressive start the Cards pushed the Mustangs all over the lot and eliminated the debate with a five touchdown barrage in the last period. The half time score was 29 to 0.

Kenny Afterbaugh was the up-and-coming Cardinal machine, by counting for four touchdowns, two of which were on punt returns of 30 and 37 yards. He also did some work in the general offensive with seven yard average on the 15 punts he carried the pigskin.

Except for a short time early in the second period, the visitors never able to move far. Stanford ran up a 14 to 0 lead on touchdowns by Walker and Afterbaugh, but the farmers put on their own show. Bob Aggie recovered a fumble on the Stanford 10 yard line, and the Mustang heavy work, carried the ball as far as the Stanford 25 yard line, but an attempted field goal by Taveretti was narrowly missed.
