

EXPLANATION OF SICK LEAVE FOR TEACHERS GIVEN

Teachers in Eugene city schools are entitled to receive ten days sick leave each year with no salary deductions and in the event this time is not taken, at the end of three years the teacher is entitled to 30 days sick leave without salary deduction, it was announced Friday by H. B. Gould, city superintendent, in explaining a recent interpretation of school rules made by the board.

Under a rule passed by the board in 1928 and not changed since that time, the teachers receive this sick leave if they desire. Recently some of the teachers brought up the question as to whether this leave accumulated from year to year in the event it was not used, thus giving a teacher 40 days at the end of four years in the event none of the leave had been taken.

When this question was put to the school board for an interpretation, the board ruled that after three years, teachers were entitled only to the stated ten days a year, plus 20 days of the accumulated leave in the event none had been taken up before. Therefore, under the ruling, teachers were not entitled to more than 30 days sick leave any year after three years' service.

This interpretation cleared up the matter of overpayments to teachers who had considered the leave accumulative every year, Gould explained. This regulation was adopted by the board Dec. 10, 1928.

Some Farmers Lose Entire Hay, Grain Crops By Freeze

Very little fall sown grain and vetch is left in the fields of Lane county farms as a result of the hard freeze early in December while the ground was unprotected by snow.

O. S. Fletcher, county agricultural agent, said Friday that some Hungarian vetch and Austrian winter pea fields are about half killed but the common variety of vetch, gray oats and wheat are practically 100 per cent ruined in most parts of the county.

All these fields will have to be re-sown if the farmers expect to harvest any of these varieties of hay or grains but many of them have no funds with which to buy the seed and most of them used all their seed for fall sowing.

Usually when there is a hard freeze of the severity of the one in December the ground is covered with snow and the grain is protected.

Local Conference On War Topics Planned

The local conference on the cause and cure of war will be held soon under auspices of local council for prevention of war and International House from the campus it was announced following a meeting of the anti-war group executive board Thursday afternoon in the study of Rev. Clay E. Palmer. Rev. Mr. Palmer has been named chairman to handle the conference plans by Rev. Cecil P. Bistow, president of the Council for Prevention of War.

The executive group also made plans to sponsor the friendship folios to be sent to children in China. These folios have pictures of various American characters and legends, and stories of American children, their purpose being to interest foreign children in the people of this country and create greater friendship between them.

The Council for Prevention of War is also to sponsor a contest among the high schools on the Kellogg-Briand pact and the league of nations.

BRITISH ROYALTY ENROUTE TO PARLIAMENT!

The probable troublous days ahead for the new British parliament did not mar the customary splendor of the royal procession from Buckingham palace to Parliament buildings. King George and Queen Mary are shown in the royal coach. The King, as per custom, opened parliament, but did not mention the difficult war debt problem which Britain faces.

BUTLER FUNERAL IS HELD FRIDAY

THE DALLES, Ore., Jan. 13.—(Special)—Attended by relatives and a congressional guard of honor, the body of Congressman Robert R. Butler returned to The Dalles today. The representative from the eastern Oregon country died in Washington, D. C. last week after an illness during which his heart was weakened by a prolonged attack of pneumonia. He was 52 years old.

The body rested in state in the civic auditorium throughout the morning hours and the early afternoon. Interment took place at 3 p. m.

A delegation representing the senate and house of the Oregon legislature joined the congressional party which accompanied the body to Butler's home.

It was his wish that he be buried here rather than at his birthplace in Butler, Johnson county, Tenn.

Mrs. W. R. Butler of Bristol, Tenn.; Mrs. J. A. Sprouls, his sister; Congressman W. C. Hawley of Oregon, Ralph Horr and Albert Johnson of Washington, Robinson Simmons of Nebraska, and R. L. Doughton of North Carolina accompanied the body to The Dalles from Washington.

From the Oregon legislature Senators Kiddle, Yates and Upton and Representatives Snell, Christman, Heat, Lynch, Scott and Staples attended.

Members of the congressional and legislative delegations acted as honorary pallbearers. The active pallbearers were Ben. P. Liffin, George

YONCALLA STUDY CLUB IN SESSION

YONCALLA, Jan. 13.—(Special)—The Yoncalla Women's Study club met with Mrs. Eliza Hult Jan. 7. Mrs. Lillie Brown read a well written article on the life of Helen Keller and Mrs. Effie Howard read a review of the opera, "Pallas and Melisande," which was a tragic affair but well rendered. Mrs. Annie Kruse gave the lesson in art so naturally that one can scarcely avoid thinking of her as an artist. The critics report taught several the correct pronunciation of a few words. Dainty refreshments were served by the hostess to the following: Mesdames Theresa Warner, Gertrude Stoute, Mary Richards, Marie Rice, Effie Payne, Leona Mark, Marjorie Lasswell, Anna Kruse, Jennie Lasswell, Effie Howard, Blanche Daugherty, Lillie Brown, Zedie Bishop, Laura Applegate; Misses Genevieve Grooves, Norma Hitchcock and Ruth Stout.

Mrs. Minnie Davis went to Eugene Monday to spend a few days at the home of her sister, Mrs. Maude Walkinshaw.

Several people from Yoncalla went to Drain Sunday afternoon to attend
