Theaters

FRIDAY PROGRAMS HEILIG—"McKenna of the Mounted" with Buck Jones. Ends Saturday.

COLONIAL—"Man Called Back" with Conrad Nagel and owl matinee each night at 10:45 with "Horsefeathers" starring Four Marx Brothers. Ends Saturday.

REX—"Sherlock Holmes" with Clive Brook. Ends Friday. STATE—"The Dark Horse" with Warren William. Ends Friday.

One of the finest achievements of the screen in reproducing the stage is "Animal Kingdom," now playing at the Fox McDonald through Saturday and starring Ann Harding, Leslie Howard, and Myrna Loy.

Glittery smart in its sprightly chatter and ultra sophisticated in its unconventionalities, "Animal Kingdom" is quite the most delightful hour and a half of movie entertainment seen here in some time. The story—well, there isn't much. The man has lived for three years with an attractive girl, an artist. When it comes to the subject of marriage, the man becomes conventional enough to choose a girl of his own social standing. Friend, Wife's idea is for security, money. But after a time, the man "sees clearly" and realizes that not the other girl, but his wife, is his mistress, that the other girl has all the attributes he wanted for his wife. And so—very simple as to what to do.

From a successful doctor to a derelict in the tropics and then back to the peak again is the dramatic trail of Conrad Nagel in the picture, "The Man Called Back," playing at the Colonial theater Friday and Saturday. The four Marx Brothers in "Horsefeathers" is on the program as an added attraction. The "Man Called Back" is especially interesting because of its numerous shots of the tropics, and the depiction of an outcast, superbly done by Conrad Nagel. Upon his return, he gets another chance at success in London, returns only to find that the girl he loves is married to his benefactor. Opposite him in the character of the lovely woman who aids him in his battle for regeneration, is Doris Kenyon, the blonde star of many screen hits.

In other roles are seen John Halliday, stage and screen star; Juliette Compton, Mona Maris, Reginald Owen and Mae Busch, John T. Murray, the screen comedian star, is seen as a high-powered publicity man, and others include Gilbert Emery, Edgar Norton, and Lionel Belmore. The picture is "full of thrills and tense situations."

"Sherlock Holmes" with Clive Brook and Ernest Torrence continues at the Rex Rex through Friday. The "State's attraction Friday will be the final day of "The Dark Horse," a comedy-political picture.

The Heilig changes bills Friday with the showing of "McKenna of the Mounted," featuring Buck Jones. The picture plays through Saturday. Buck in the days of the silent picture, the adventurous life of the Canadian Royal Northwest Mounted police used to be featured frequently on the screen, but since the talkies have come in, these glamorous strong, silent men of the north wilds have been missing. With "McKenna of the Mounted," however, they come into their own in the talkies in a big way. It is a picture to give Jones opportunity to perform his many feats that have boosted him to the top ranks of western players.

REV. MR. RISTOW IS SPEAKER FOR CLUB

By means of straightening out disagreements through law, working towards disarmament, and building public opinion that is exploitation-proof, the world can work out a program to outlaw war, said Rev. A. Cecil F. Ristow, president of the local Council for Prevention of War, and pastor of the First Methodist Episcopal church, in a talk before the Eugene Business and Professional Women's club Thursday noon at the Osburn hotel.

Rev. Mr. Ristow declared war has been with the world too long, that it is the last stand of anarchy. Both militarists and pacifists agree that war is an evil, but there are two different viewpoints as to how to overcome this evil. The militarists say to avoid war, be prepared for it; during peace time, concentrate on war. The pacifists hold that interests must center on peace; in time of peace prepare for peace. The viewpoint of the pacifist is more perfect, a more truly psychological viewpoint, the speaker pointed out. A doctor does not concentrate on preparing a patient for diphtheria but on preparing for health.

In the same way the sick world is doctored by concentration on the state of health, rather than on conflict.

Rev. Mr. Ristow then outlined the program and purposes of the Council for Prevention of War.

The next meeting of the club comes on January 21. On the coming Sunday, a group from the local club will be going to Monmouth to attend at district conference. Dr. A. M. Smith, president of the local club, and Mrs. Ella T. Edmunson, chairman of the legislative committee, are on the conference program to speak.

Tax Refunds Must Be Given Approval

WASHINGTON, Jan. 12.—(P)—The senate today voted 51 to 28 to prohibit payment of any tax refunds amounting to more than \$5,000 until they had been approved by the joint congressional committee on international revenue taxation.

The action came after senators had criticized large refunds, specifically one to the estate of the late Ogden Mills, Sr., whose son is secretary of Treasurer Mills.

The vote was on an amendment to the first deficiency appropriation bill offered by Senator McKellar, dem., Tenn.

COLDS GO THROUGH 3 STAGES!

And They are Far Easier Stopped in the First than in the Second or Third!

A cold ordinarily passes through three stages—the Dry Stage, the first 24 hours; the Watery Secretion Stage, from 1 to 3 days; and the Mucous Secretion Stage. Relief is twice as easy in the first stage.

For prompt relief take a couple of Groves' Laxative Bromo Quinine immediately upon catching cold. This will usually expel the cold overnight and thus prevent the spread of the infection within your system.

Groves' Laxative Bromo Quinine is effective because it does the four things necessary. It opens the bowels. Kills the cold germs and fever in the system. Relieves the headache and grippy feeling. Tones the entire system and fortifies against further attack.

Groves' Laxative Bromo Quinine contains nothing harmful. May be safely taken by young and old and whether you stay indoors or go out. There is absolutely no penalty attached to its use. For more than 40 years it has been the standard cold and gripe tablet of the world, the formula keeping pace with Modern Medicine. Groves' Laxative Bromo Quinine now comes in two sizes—30c and 50c. Get yourself a package today and be ready for any cold that may come along. Say "NO" to a substitute!

NOTE: During Epidemics a tablet or two of Groves' Laxative Bromo Quinine every morning and night will do much to keep your system immune.
