

Market Changes Few; Stocks Ride Flurries

EGGS AND DAIRY PRODUCE STEADY; CABBAGE LOWER

Saturday was a quiet day for the local markets, with produce of all kinds continuing steady.

Due to the bad weather, there was a big shortage on local strawberries, Saturday. Prices continued the same, however.

New peas came in Saturday from local gardens in limited quantity but of nice quality. Oregon grown have been on for a week or more, but the local just started this week-end.

Eggs, butter, buttermilk, poultry, livestock, and grains all continued steady.

Local cabbage was a bit more plentiful and slightly lower in price.

The new bunch stuff, turnips, carrots, and beets is all coming on more plentifully now, quoted still around 40 cents a dozen bunches.

Following was the local price list for Saturday:

SLIGHT ADVANCES RECORDED AMONG MARKET LEADERS

NEW YORK, June 10.—(AP)—The

stock market shuffled through its brief session today without any great amount of enthusiasm. Profit taking flourishes in some categories tended to balance further rising tendencies in others and the close was moderately irregular. Trading volume dwindled with transactions approximating 2,500,000 shares.

A satisfactory freight car loading report and optimistic implications of U. S. Steel's backlog figures were about in line with expectations.

The dollar again weakened in foreign exchange markets.

Various industrial issues were inclined to sag, but a number of the utilities found followings. Among the latter up fractions to around 2 points were Consolidated Gas, United Corporation, Public Service of New Jersey, Columbia Gas and North American.

Slightly higher prices were also recorded by Owens-Illinois, Chrysler, Standard Oil of New Jersey, Montgomery Ward and some others.
