

Poultry Prices Lower; Stocks Show Strength

PEAS AND CABBAGE BOTH DOWN HERE DURING SATURDAY

Extensive cuts in poultry prices were listed here Saturday morning in both the local buying list and the F. O. B. Portland.

In the buying list, heavy hens, 4 1/2 to 5 1/2 pounds are listed at 10 cents, over 5 1/2 pounds, 9 cents; Leghorn hens, medium and light, 8 cents a pound; Leghorn broilers, over 2 pounds, 8 cents, 1 1/2 to 2 pounds, 9 cents; colored fryers 10 and 12 cents.

In the F. O. B. Portland list from the Pacific Co-Op, colored hens are listed at 10 cents on those 5 1/2 pounds and up, 11 cents under 5 1/2 pounds; colored young roasters, 12 cents; Leghorn hens, 9 and 8 cents; Leghorn broilers, 10 and 9 cents.

Vegetables Shift
Local grown peas and cabbage both dropped to 4 cents a pound here, Saturday. Peas were in more plentiful than any time yet.

All egg prices remained unchanged. Butter, butterfat, livestock, grains, all continued steady at Friday prices.

A few more local cherries were seen but they are not coming in plentifully enough yet to be quoted much. Asparagus is about gone.

Fine leaf and head lettuce continue to come in from local gardens.

Strawberries were a bit more plentiful for the Saturday trade and were of excellent quality owing to the better weather of the past week. Prices remain high, however, because this is a very short season on local berries and a very short crop.

Following was the price list for the day here:

LOCAL PRICES

Pool prices announced each Friday by Pacific Cooperative Poultry Producers' association are always for the week ending on the Thursday eight days preceding.

Wheat Tumbles, Stages Recovery

CHICAGO, June 17.—(P)—In a rush of selling, wheat prices tumbled almost two cents a bushel today, but later recovered in full.

A majority of traders construed the processor's play as bullish, in a flood of crop damage reports from spring wheat territory both north and south of the Canadian boundary led afterward to rallies. Estimates indicated the 1933 Canadian spring wheat crop would be less than harvested last year.

Wheat closed firm at the same as yesterday's finish to 1-8 higher, compared with yesterday's finish, corn 3-16 1-8 up, oats 1-8 1-2 advanced, and provisions varying from 2 cents decline to 5 cents gain.

CHICAGO, June 17.—(P)—Wheat: July open 73 1-8@1 1/4, high 74, low 72 1-4, close 73 7-8@7 3/4; Sept. open 75 1/2@7 1/2, high 76, low 74 1-4, close 75 3-8@7 1/2; Dec. open 77 5-8@7 1/2, high 78 1-4, low 76 3-4, close 78 1-4@7 3/4.
