YOUR OWN HOME MADE MAYONNAISE

tastes the way you want it to taste

Some folks like a sweet mayonnaise... and some don't want any sugar at all. Some like mustard, and some can't stand it. And lots of people like the taste and healthfulness of fresh lemon juice while others want vinegar. There's only one way to have mayonnaise that is not sweet at all, or that is extra sweet... only one way to have mayonnaise that is made with lemon juice instead of vinegar... and that way is to make it yourself. Home made mayonnaise is simply choice Wesson Oil, an egg just out of the shell, and seasoning exactly as you like it.

HERE'S THE NEW MIXER THAT WHIPS IT UP IN 1½ MINUTES! PERFECT MAYONNAISE EVERY TIME!

It works with one hand while you pour with the other... whips up a perfect mayonnaise in 1½ minutes... the time required for the pint of Wesson Oil to pour out of the can. When the can is empty, six more strokes and your mayonnaise is finished. It can't fail.
