

U. O. SPRING HONOR ROLL CONTAINS 24 EUGENE STUDENTS

The official "honor roll" for the spring term of the University of Oregon contains 92 names of students, 29 of whom are from Eugene and 24 from Eugene. Students to gain this distinction must earn a grade point average of 2.5 or better. The average of 3 is the highest attainable.

A perfect average, or the grade of "A" in every subject, was made by 11 students, three of whom are from Eugene. They are: Eugene: H. Hickson, James H. Kandler; George G. McShatko, all of Portland; Martha A. Goodrich, Lucy Howe, Betty Anne Macchiff, and A. Duane Pinkerton, all of Eugene; Arthur M. Cannon, Toledo; Barbara Conly, San Francisco, Cal.; Carl E. Davidson, Vernonia; and Schuyler A. Southwell, Hollywood, Cal.

Others on the honor roll are as follows:

Otto Marion Bowman, Ann-Reed Burns, Jean D. Campbell, Margaret E. Clark, Laurence E. Fischer, Frances E. Frazier, Otto J. Frohnmayer, Albert J. Henke, Geraldine Hickson, John M. Holz, Louise A. Labbe, Barbara H. Leitz, Barbara R. Leiter, Alice M. Lively, John J. McCallig, Louise Marvin, J. Andrew Mosberger, Harold A. Onstad, Arthur Rich, Joseph Salsky, Lewis B. Stevens, Elinor Stevenson, Otto P. Vonderhilt, Adele Wedemeyer, Alice D. Wedemeyer, Mildred I. Widmer, all of Portland.

Catherine Adams, W. Harold Ayres, Francis B. Brockman, Thomas N. Creacy, William J. Dutton, Lloyd M. Faust, Emily Madeleine Gilbert, Edgar A. Goodnow, Clare K. Hamlin, Harvey L. Hawley, Alice L. Hinshaw, Lloyd G. Humphries, George P. Inman, Greta E. Kirkpatrick, George V. Layman, Katherine K. Morse, Helen Doris Payne, Margaret D. Rugh, Fred S. Stanley, Maude H. Stehn, all of Eugene.

Helen G. Abel, Clara J. Wolfe, Astoria; Jean M. Allen, Ontario; Valborg L. Anderson, Colton; Marnie O. Bennett, Beaverton; Robert F. Brown, Tacoma, Wash.; Ruth M. Carlton, Springfield; Ruth M. Chilcote, Laura O. Goldsmith, Klamath Falls; Arthur M. Clark, Canby; Carl H. Code, Cove; Jane A. Cook, James C. Kennedy, Multnomah; John W. Creech, Katherine Laughbridge, Salem; Grant M. Eads, Warrendale; Donald W. Emery, Hood River; Kenneth D. Gillanders, Margaret S. Poorman, Woodburn; Beulah E. Gore, Medford; Sherrill L. Gregory, Westport; Marjorie E. Haas, Tacoma, Wash.; William O. Hall, Prineville; Phillip Hayter, Dallas; Miriam Henderson, Oregon City; Irvin B. Hill, Coquille; Louise S. Howard, Max R. McKinney, Daphne Matthews, Grants Pass; Andy J. Newhouse, Broadbent; Margaret L. Stauff, Marshfield; Beth Thomas, Powers; Thomas H. Tongue, Hillsboro; Harry C. Vase, Pomona, Cal.

TRAINS, EMPTY REFRIGERATOR CARS GOIN' EAST, LOGGING TRAINS AND C. C. C. TRAINS ALL HAVE CONTRIBUTED TO THE INCREASED EMPLOYMENT FOR RAILROAD MEN, EACH SPECIAL TRAIN REQUIRING A CREW OF SIX MEN. OUTLOOK FOR RAILROAD BUSINESS IS BRIGHTER THAN IN YEARS, OFFICIALS DECLARE, AND THEY ANTICIPATE CONTINUED INCREASES IN EMPLOYMENT.

Out in the country, there is some demand for farm hands, although this has been cut down due to the freezing out of much of the hay crop. Armistead declared. Some demand for harvest hands for alfalfa and vetch cutting is being felt here, however.

More Road Work Due

Highway construction which is expected to start in this county in the near future as the result of federal money apportioned to the state, will add to the employment of men, especially in the coast section where five bridges, to replace the present ferries on the Oregon coast highway, will be built. State highway engineers have estimated that 700 men would be employed on these bridges which means work for many Lane county men on the Lane section.

Re-routing of the Pacific highway between Junction City and Goshen, recently proposed by the highway commission and for which a survey is now under way, would mean the employment of several hundred men in this county.

In view of the general improvement in the economy, Saturday night poor tax collections were forced Lane county to cut expenditures, commencing with road work, was hailed as less ominous for workers than if it had come earlier. As it is, prospects are that many of the men who may be let go by the county will be absorbed in the growing demands from industries.

C. C. C. MEN TO BE TAUGHT FORESTRY

Educational work among the men of the Civilian Conservation Corps camps to familiarize them with values and uses of the forests has been started and will be carried out at all the camps throughout the summer, according to information received at the office of the Willamette national forest.

The work will be along the line of instructing the men regarding the recreational values of the forest, the watershed values, the work of the ranger, identifying trees, plants, animals and birds, the actual work of reforestation, causes and results of forest fires and various other things.

It is the plan to devote some time to teaching these things to the men during their own spare time when time hangs heavily on their hands. To idea is to give the men an impression of the forests that they will carry away with them when the work is completed. It is planned to establish exhibits at the different camps showing different varieties of trees, foliage and plants.

The plan also includes the building up of a complete record of undertakings at each camp. Photographs will be taken of the different areas before work, such as snag falling, is started and then after the work is finished.

MEETINGS PLANNED FOR DEMONSTRATIONS

The River Road home extension unit will meet Tuesday, June 27, to plan their program for the coming year, it was announced Saturday by Miss Gertrude Skow, home demonstration agent. The meeting will be held at 1:30 o'clock, the place to be announced later by Mrs. L. Holland, chairman.

The Vida homemakers will meet for the same purpose with Miss Skow on Wednesday at 1:30 o'clock, the place to be announced by Mrs. Florence Allen, chairman.

On Thursday, Miss Skow will conduct a demonstration of the use of American and cottage cheese for the Mohawk-McKenzie district, at the home of Mrs. Stanley Spares, the meeting starting at 10 o'clock.

held here for the Trail to Rail celebration.

All County Invited

All Lane county towns and communities have been invited to enter floats and virtually all of them are planning to do so.

Following the parade games and sports events will start with the first item on the program being a county championship horseshoe pitching contest in the city park, starting at 11:30 a. m.

At 1 o'clock there will be another rodeo at the fairgrounds and at 3 o'clock the old-time sports will start on Willamette street when a greased pig will be turned loose. The boy who catches him will be allowed to take him home, grease and all.

Races of all kinds will be held, fat men's race, ladies potato peeling race, ladies nailing contest, bicycle races for boys and girls, roller skating races, tricycle races, all entry-free.

There will be log bucking and chopping contests with teams entered from Marcola, Wendling, Westfir and Cottage Grove. More are expected to enter later.

Lots of Fireworks

There will be merchandise prizes for all events.

At 5 o'clock the second round of the horseshoe tournament will be held and at 7 o'clock a short band concert will start the evening events. In addition to the carnival there will be several free shows in the park. The Eugene Moose lodge will present their "Dance of '49," and the Christensen brothers will present their trained dog acts. Other acts are being arranged and will be announced later.

The climax of the will be the two hour program of fireworks in the top of Skinner butte. There will be at least 100 aerial bombs and possibly

ROAD PATROLMEN TO CUT THISTLES

Notices are being sent out from the office of County Engineer P. M. Morse that all district road patrolmen are expected to cut the Canada thistles on the county roads in their districts.

The law provides that these weeds found on the county roads should be cut by the adjacent property owners but as this is seldom done, the road patrolmen are being asked to do so instead.

PICNIC POPULAR TOPIC FOR FORUM

Already entries are in for the "Fourth of July Picnic Lunch" contest of the Register-Guard's "Housewives' Forum."

This being the picnic season and the Fourth of July bringing the picnic of picnics, the topic is finding ready response.

All women of Lane county are invited to enter the contest and compete for the nine cash prizes, given weekly in the forum. All entries for the contest should be in to the Register-Guard office by 8 o'clock next Wednesday evening, June 28. Prize winners will be announced the following Friday.

For this contest, the menu for the Fourth of July picnic dinner should be entered and the recipe for the main dish on the menu. First prize will be \$1 in cash; and eight other prizes of fifty cents each will be given.

The rest of the prize winners for the past week in the "One-Dish Dinner" contest will be published this week, starting Monday, two entries a day to be printed.

WOODSMEN WAITING FOR CAMP ORDERS

Sixty Lane county men enrolled in the C. C. C. forest service are waiting for orders to be called for duty at the Mapleton camp on Smith river, according to R. S. Shelly, supervisor of the Siuslaw national forest.

This will be a "short camp" with only the original 25 woodsmen sent into establish the camp, 24 boys from Missouri, sent in a few days ago, and these 60 woodsmen are now awaiting in Eugene.

DEMONSTRATION OF CULTIVATOR DEVICE SCHEDULED MONDAY

A demonstration of a new cultivator attachment, invented by Russell W. Earnest of Marcola, will be held on the Cloverleaf dairy farm Monday afternoon at 2 o'clock, under the direction of O. S. Fletcher, county agent. It was announced Saturday, the industrial committee of the Eugene chamber of commerce is sponsoring the demonstration.

Earnest's attachment is said to do a more efficient job of weed killing and at the same time does not disturb the plants being cultivated. The device consists of two small plows which straddle the row and get all weeds close to the plants without cutting or disturbing the roots. It will fit any standard cultivator.

The device is being manufactured at the R. H. Pierce machine shop by Arthur Richards.

"We believe the new device will materially decrease hand work in connection with weed control work on the farm and experiments conducted to date indicate it will increase production through greater efficiency in weed and killing breaking up of the soil," said Mr. Fletcher.

"Every farmer who intends to do any cultivating should attend this demonstration Monday.

V. H. Davis of the Cloverleaf dairy farm, is co-operating in conducting the demonstration.

DELINQUENCY STORY

CONTINUED FROM PAGE ONE

and county. Delinquent taxes to the amount of \$112,984.99 have been collected since January 1, 1933, leaving \$1,250,098.00 of taxes due previous to January 1, 1933, remaining unpaid. This amount of delinquent taxes collected, as well as delinquent taxes unpaid, includes all taxes for state, county, city and special school and road purposes.

Warrants Increase

"In addition to this amount of unpaid taxes, on a close drawn budget, we have a prospective loss of \$85,000.00 to the county and \$35,000.00 to other subdivisions of the county in anticipated receipts from the O. & C. fund, and a loss of \$5,000.00 in anticipated receipts from the interest on bank daily balances because of laws passed by the last legislature.

"On January 1, 1933, Lane county had outstanding warrants amounting to \$53,173.88. At this date, Lane county has outstanding warrants amounting to approximately \$154,306.23. The first half of state tax, amounting to \$71,005.75, and interest payments on road bonds, amounting to \$108,700.00, have been paid, and all outstanding obligations have been met when due, except \$10,000.00 due from Lane county on a contract made in 1932 with the state highway commission on the Chehalis road. This item was not brought to the attention of the budget committee and was not included in the 1933 budget. It will be necessary to include the same in the 1934 budget.

Taxpayers in Jeopardy

"The county court realizes fully that many taxpayers are unable to pay their taxes and that it is no fault of their own that their taxes remain delinquent and unpaid. On the other hand, the county court does not deem it good business to keep up county expenditures, and thereby jeopardize the property rights and interests of

through Attorney General Cummings of wholesalers and retailers whom he said were "biking prices without reason."

King asserted there had been "an unwarranted increase in commodity prices without benefit to the producer." He cited particularly rubber products, bread and other commodities, and said he would ask prosecution under the anti-trust laws.

Another development brought from William Green, president of the American Federation of Labor, a letter to unorganized workers of the nation to unite to obtain "all the rights and benefits" of the national recovery legislation.

SOCIALIST FORUM

The socialist open forum will be held Monday at 7:30 p. m. in labor temple, 90 East Broadway. Mr. Bristol, graduate of the University of Oregon, will give his views on a program for the socialist party. Everyone is welcome.

NEWS OF YONCALLA

YONCALLA, June 24.—(Special)

Once more the Cottage Grove band boys supplied a pleasant evening for the Yoncalla community. Thursday evening the band gave a concert in the school gym and the proceeds went for the benefit of the Yoncalla baseball team.

Daniel Boone of Portland is visiting at the home of his cousin, H. J. Cockeram.

Marjorie Cockeram of Red Hill is spending the week as guest of Miss Kathryn Daugherty.

Mrs. Cynthia Turpin returned home Monday after spending a week with relatives in southern Oregon.

Mr. and Mrs. Jack Murphy are the proud parents of a nine pound baby girl, born June 19 at Duide.

Mrs. J. J. Conger of St. Paul, who has spent the past month with her sister, Mrs. S. H. Brown, left Wednesday for her home.

Mrs. Amy Caldwell who has spent the past month with her mother, Mrs. Clara Ambrose, left this week for her home in California.

Mr. and Mrs. Howard, who have been working for the S. P. company near Corvallis, returned home Thursday.

Misses Evva and Eva Applegate, Mrs. Lena Hartley, Mrs. Hazel Peret and Miss Ruth Hellwell were guests at the Albert Hellwell home at Cottage Grove Wednesday evening for dinner.

George Edes, local postmaster, went to Newport this week to attend the state postmasters convention.

Miss Ruth Hellwell of Los Angeles and Mrs. Lena Hartley of Redmond are visiting their parents, Mr. and Mrs. William Hellwell.

Mr. and Mrs. Adelbert Westenhoefer of Los Angeles spent the week-end at the Edgar Richards home. They were en route to the world's fair at Chicago.

Mrs. Phoebe Jones and children of Elkton are visiting Mrs. Jones' parents, Mr. and Mrs. Ed Neuber.

EMPLOYMENT STORY

CONTINUED FROM PAGE ONE

within a few weeks, assuring steady employment for at least 50 men in this one mine this summer, Jennings stated.

Glenn Collins, San Francisco engineer, engaged in preparations for the re-opening of the old Musk mine in the Bohemia district, will employ 25 men as soon as snow conditions permit. These men will be engaged in cleaning up the property and getting ready for more extensive development in the mine.

Cannery Prepares

F. S. Day of Los Angeles will employ 15 men and the James Brothers are now employing six men and will increase their force slightly in the near future. Both of these operations are in the Bohemia district where extensive mine development work is planned for this summer.

In Eugene, the Eng in a Fruit Growers plant will be in full operation by the second week in July, employing from 500 to 600 persons. J. O. Holt, secretary-manager of the plant, said Saturday. Employment in this plant will continue up to September or October of the fall.

Increased business for the railroad company has resulted in increased employment for railroad men during the past few weeks. Southern Pacific officials declared Saturday. Trainmen and engineers, long working on greatly reduced hours, are now nearing normal employment and if the present condition is maintained, as it seems likely to be, the employment will be materially increased, due to the necessity for increasing the crews in the railroad shops, it was stated.

COST OF WATER IS LOW IN EUGENE

and increased use brings decreased rates

It's a good idea to learn how to figure your water bills

On the ordinary 3/8 inch house meter the first 400 cubic feet (3,000 gallons) cost you \$1.00. The next 600 cubic feet (4,500 gallons) cost you 11c per 100 cubic feet or 66c. So for 1,000 cubic feet (7,500 gallons) you pay only \$1.66. All over the first 1,000 cubic feet cost you only 5c per hundred.

If you use 4,000 cubic feet (30,000 gallons), 3,000 cubic feet is at 5c which equals \$1.50, plus the \$1.66 for the first 1,000 used amounts to \$3.16 for the 4,000 cu. ft.

By following the line beginning with 4,000 to the point where it crosses the line marked Eugene—you will find the price marked at the left of the chart amounts to \$3.16.

Now follow up the line marked Portland, the cost of the same 4,000 cubic feet amounts to \$4.40—Salem \$4.18—Tacoma \$4.50—Grants Pass \$4.72—Albany \$5.30 and Oakland, California, \$10.58.

The above figures show that the water used over the 1,000 cubic feet costs only 5c for 750 gallons or 23 1/2 barrels. Surely anyone can afford to water the lawn at a price of 23 1/2 barrels for 5c.
