

Skiers Encounter Storm on Mountain

Nelson, Harry Wright, Ed Nelson and Cliff Stalsberg, members of the Eugene Ski Club, were driven from the slopes of the Mt. Hood ski mountain Sunday by a blizzard. Although the snow was not as deep as many steep pitches and several spills, the skiers reported that the members of the club did not have their skis off from the time they left the camp until they returned. The snow was so deep that the trail of the tree blazes was open only in places, snow was 10 to 12 feet deep.

Will Be Rebuilt

Three bridges on Preacher creek in the northern part of Lane county, on the Lincoln county line and two on the upper Deadwood creek will have to be rebuilt or repaired, according to County Commissioner Cal M. Young, who in company with Arthur Striker, county bridge man, made a trip to that section today.

In order to reach the Preacher creek district the county men were obliged to go up Deadwood creek, then into Lincoln county to the highway and then turn off to the west through the valley, inspecting the Preacher creek bridges as they came home by way of the highway.

Doctor Tells How To REDUCE

My doctor prescribed Kruschen for me—he said they wouldn't lose in the least. I lost 17 lbs. in 10 weeks—they've been worth their weight in gold to me. Mrs. Robert Kelley, Roseville, Calif.

To win a slender, youthful figure in a half teaspoonful of Kruschen in a glass of hot water first every morning. While fat is being gained in strength, health and physical charm—look younger. Physicians prescribe it and thousands of fat folks all over the world have achieved slenderness. A 4-week course costs but a dollar at Stevens' Drugs, 4 Stores: Stevens' Drug Co., Carroll, Wash. D. C., or any drugstore. But don't let your health—make sure you Kruschen—it's the SAFE way to lose money back and not joyful, satisfied.
