

BOY SCOUTS OUT ON STUNT PROGRAM

By EDWIN CHRISTIE
CAMP LUCKY BOY, Blue River, July 11.—(Special)—A large council fire in the evening was the big feature of Saturday's program at Camp Lucky Boy scout camp. Each of the cabins in camp participated by putting on some kind of stunt.

The Lost lodge was awarded first place for their stunt entitled "Station K. A. L. E. Broadcasting." Second place was given to the Mosquito Haven lodge on the production of a skit, "The Terrible Landlord," written by two members of the patrol, Jack Metzger and Fred Waller. The Viper Eight patrol presented a mind reading stunt and the Sea Scouts sang several of their sea chanteys. Bob Berman told a story for the closing part of the program.

Several scouts have completed merit badges during the first week of camp and are as follows: Gerald Huestle, swimming, athletics; David England, athletics, swimming; Horace Howells, athletics; Jerry Hume, reptile study; Bill Morse, life saving; Walter Achteman, pathfinding, bird study; Bill Koepke, swimming; Alfred Tingle, bird study; Kenneth Brown, athletics; John Perin, athletics and George Moody, metal working.

Competition in patrol inspection is becoming very keen and the camp leaders are having an increasingly difficult time in placing the winners. Inspection is judged on a point basis with 50 as the highest attainable. Inspection winners on Saturday were Viper Eight with 46 points, Lost Cabin with 45 points, and Sea Scout Ship with 43 points.

The group of scouts, George Moody, John Halverson, Francis Eaton, Junior Romane and Bill Adams, who left camp Friday afternoon for an overnight fishing trip returned early Saturday with a catch of 57 trout.

M. C. Hickbottom, scoutmaster of troop 46, Cottage Grove, arrived in camp today and will stay for several days helping with merit badge examinations and other leadership work.
