

BOY SCOUTS LEAVE ON THREE-DAY TRIP

By EDWIN CHRISTIE
CAMP LUCKY BOY, Blue River, July 13.—(Special)—Scouts at Camp Lucky Boy left camp Wednesday on two three-day trips. One party went by motor truck and hiking into the South Sisters district and has as an objective the ascent of the South Sister. The other group took a fishing trip up Blue river several miles and will also climb to the summit of Carpenter mountain.

A trip to the Sisters mountains has been an event of every period of camp for the past three years and is a big attraction to the boys. The trip from scout camp to Frog camp on the McKenzie highway is made in one of the forest service trucks. It is a seven-mile hike from the highway into Obsidian camp where camp will be made. The actual climb of the mountain will be made on Thursday and the party will arrive back in scout camp on Friday afternoon.

A swimming regatta sponsored by the sea scout ship, was held in camp Tuesday afternoon. Bill Morse of the Lost Lodge was high point man while the Rattlesnake Lodge was cabin winner.

The results of the contest were: Twenty-yard free style, Bob Jolly, first; John Halvorson, second; and Norman Joseph, third.
