Citizens! STOP THIS HOLD-UP TAX ON FOOD

VOTE NO
ON REFERENDUM MEASURE 317
Kill the food tax once and for all!
 Think of it! In these hard times the Legislature has dared to pass a FOOD TAX. A 3% FOOD TAX!
 What is more, it has passed the same tax you, the people of Oregon, voted down so overwhelmingly only last November... and on two previous referendums. A tax on oleomargarine.
 Will you stand for this gouge tax on your table? Will you stand for having the cost of living raised in thousands of Oregon homes where there already is too much suffering? Will you stand for the precedent of a tax on one food, which will certainly lead to other food taxes?
 Once and for all, kill this vicious, discriminatory tax. Go to the polls Friday and vote **317 X NO!**

OLEOMARGARINE TAX BILL—Purpose: To impose an excise tax of four cents per pound on the sale in Oregon of all oleomargarine and to require an annual license fee of \$5 of everyone who sells oleomargarine.	316	YES	PROTECT YOUR TABLE
	317	X NO	VOTE "NO" HERE
