"MOTORDOM'S SUPREME COURT" THE AMERICAN AUTOMOBILE ASSOCIATION CONTEST BOARD

This photograph, posed especially for Standard Oil Company of California, during the recent Indianapolis Speedway Races, shows the members of the highest official body in American Motor ing—the Contest Board of the American Automobile Association. In the center is Captain E. V. Rickenbacker, famous World War Ace, now Chairman of the AAA Contest Board.

-Renders This Sweeping Decision "STANDARD GASOLINE is unsurpassed"

"IN STARTING—ACCELERATION—MILEAGE AND ANTI-KNOCK"

Try Standard Gasoline and You'll Agree with These Experts

There's no higher authority! The American Automobile Association Contest Board is the governing and controlling body for every sanctioned race meet, road test, and performance record in United States motoring.

This is the organization which, on June 27th, completed the tests of STANDARD Gasoline and six other leading gasolines for actual road performance.

—Tested over and over—with dozens and scores and hundreds of performance records upon which to base their certifications.

We believe all motorists will be interested in their decision—"On the basis of these tests we find STANDARD Gasoline unsurpassed in starting, acceleration, mileage, and anti-knock."
