Either, according to the wave theory, is the medium through which light waves are transmitted through space.

DREW C. C. CAMP NAMES SHOE CHAMP

CAMP DREW, C. C. C., Tiller, Ore., July 22.—(Special)—The finals in the Camp Drew horse shoe pitching contest were finished last night in a close and hard-fought battle. Barney Norfolk of Columbia, Nebraska, took first place, edging out Charlie Mead, the representative of Devil's Knack Side camp, by two points.

Fred Spotts of Tiller, Oregon, Harry Bowls of Columbia, Nebraska, and Joe Henry of Rogers, Nebraska, were runners in the semi-finals. Charlie Mead of Snyder, Nebraska, was victorious over Frank Willis, Ashland, Nebraska, the representative of the South Umpqua side camp. The champion will continue to display his skill and science for the benefit of the camp until time to leave for the district tournament July 30, at Skinner's butte camp, Eugene. It is expected that Norfolk will place high in this tournament as he has been pitching for several years and has twice taken the top place in various horse shoe contests.

The Reverend Center of the First Christian church of Myrtle Creek, Oregon, again held services in the mess hall last evening. The turnouts are getting bigger and more boys are showing greater interest. These services are non-sectarian and welcome all creeds for an hour's worship. Next Thursday night the Broadlove boys' instrumental trio

will accompany Rev. Coulter. These boys have played in various parts of southern Oregon and are noted for their harmonious church music.

Mr. McRae, district fire warden of the Umpqua national forest, addressed the Camp Drew boys last night. After his talk on "Fire and Fire Hazards," he gave the boys an opportunity to ask questions in order that they might straighten out a few erroneous ideas.
