SPEAKING OF "SALAD DRESSINGS"

Carole Lombard

You Don't Pay For Water

... when you buy Best Foods Mayonnaise

It's a fact—so-called "salad dressings" contain 30% to 40% water. So naturally they sell for 1/3 less than a fine mayonnaise like Best Foods

Water is cheap, Miss Lombard—and that's why you pay less for these new "salad dressings."

For even the finest "salad dressing," you know, is nothing more than a cooked-up mixture of water, vinegar and inexpensive cereal "fillers" (as much as 30% to 40%) stirred into a little mayonnaise.

Now do you wonder that "salad dressings" can be sold for less than real mayonnaise? Perhaps, knowing the facts, you wonder why they sell for as much as they do (1/3 less than a true mayonnaise like Best Foods).

There's no substitute for it. If you can possibly afford it, buy Best Foods Mayonnaise always. There is no substitute for its fine ingredients—the same ingredients

you use in your own kitchen. Naturally, no "salad dressing" can give you its same delicious flavor, velvet smoothness, and valuable health benefits.

But ... if you feel that you cannot possibly afford this supremely fine mayonnaise ... then be sure to serve the finest salad dressing, which of course is Best Foods.

A far finer Salad Dressing

We have introduced Gold Medal Salad Dressing for all those women who feel they cannot afford Best Foods Mayonnaise ... and yet want the protection and assurance of highest quality that go with the Best Foods name.

Gold Medal Salad Dressing is the finest and purest that can be made. Women who have tried it say it is marvelously smooth in texture ... and that it tastes delicious on the salads they serve.

Here, you can be sure, is one salad dressing that is offered to you honestly, that you can buy safely ... the one salad dressing that is backed by the Best Foods name and reputation.

Both Best Foods Mayonnaise and Gold Medal Salad Dressing sold at all grocers.

Weight, 112 lbs. Bust, 34 1/2 in. Hips, 35 in. Waist, 24 1/2 in.

Millions of you Carole Lombard "fans" will see her in Paramount picture, "Supernatural." And you, like every woman who sees her, will marvel at Miss Lombard's glorious, supple figure.

And remember you, too, can regain or retain the same figure of youth by faithfully following the safe, sane Best Foods Slenderizing Plan. Just eat two salads a day, covered with Best Foods Mayonnaise, in place of heavy, fattening foods. You'll be delighted with the results!

Slenderize with Salads!

WHY SALAD DRESSING COSTS 1/3 LESS

A LITTLE MAYONNAISE + CEREAL FILLERS + 30% WATER = COOKED

NO WATER IS ADDED TO REAL MAYONNAISE. Best Foods Mayonnaise, you know, is made from eggs, fine salad oils, imported spices and selected vinegar—no water added, no "fillers," no cooking. While even the finest salad dressing, as you see, contains inexpensive "fillers" and water (as much as 30% to 40%) to give added bulk so it can be sold for slightly less than real mayonnaise.
