STEADY SMOKERS TURN TO CAMELS

MISS THADEN says: "Flying is a terrific strain at times. I frankly don't know what I should do without cigarettes. But I've found that different cigarettes have different effects on my nerves. For some years I've smoked Camels. They taste better. They're much milder. And I've noticed that they never upset my nerves."

IT IS MORE FUN TO KNOW

Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand. You will find Camels rich in flavor and delightfully mild.

WHAT A THRILL! And how a good smoke adds to your enjoyment!

Light up a cigarette. And for the sake of your nerves, make it a Camel...the milder cigarette that's made from costlier tobaccos.
