appointment to the council succeeding Vern D. Schobert, who resigned on account of ill health.

Appointment of councilman from this ward rests with Councilman Arthur Hendershott, other member from the third ward. Mr. Hendershott makes the appointment which is ratified by the mayor and council.

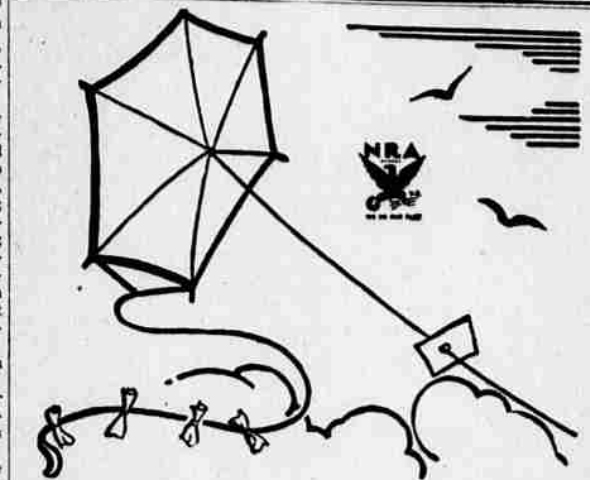

Hendershott was out of town Friday and could not be reached, but those sponsoring Dr. Harris declared no opposition to his appointment had arisen so far.

George W. Davis, mentioned as another candidate for the position, Friday issued a statement declaring he was not a candidate and was in fact giving his full support to Dr. Harris. "I am by no means a candidate for this position," he said. "Dr. Harris is a man of known ability and I believe he would capably serve his constituents as councilman. I believe we are fortunate in having a man of his calibre eligible for the position."

While the city health board has made no appointment, it is generally understood that the appointment of Dr. Harris would meet with their approval. This appointment, it was felt, would finally iron out any remains of controversy between the council and the health board which flared up recently and would make for continued peace and harmony in health matters of the city.

Dr. Harris has long been actively associated with civic affairs of the city, and for many years has been chairman of the Lane County Republican Central committee. He also is a member of the state board of dental examiners.

Better than a breeze

If you want to keep really cool, eat more crisp, light foods—fewer hot, heavy dishes. Kellogg's Corn Flakes lead the coolness parade. Delicious toasted flakes. Rich in energy. So easy to digest they don't "heat you up."
