EDITORIAL—
There will be no editorial
tonight for we haven't a darned
thing to crab about.
Yesterday was the largest
single day's business, outside
of a Saturday, that we have
ever had, so I am only going
to tell that and dry up.
But we thank you.
Yours truly,
GEO. C. STANLEY.

The Strange Case of little Mary Dodd
[A REAL LIFE MOVIE]

1. How puzzled Mary Dodd's parents were! She had always been such a bright, vivacious little girl. So full of life and interest in everything about her. And now... so listless, irritable. Not herself at all!

2. So Mrs. Dodd took Mary to Dr. Kent. How surprised she was when he mentioned—constipation. And then... "more outdoor exercise, fresh fruit and vegetables, lots of water between meals—and added bulk in the diet."

3. "Added bulk?" Mrs. Dodd asked. The kindly doctor smiled. "She likes cereals, doesn't she? Well, why not give her one of the finest cereals I know—Post's 40% Bran Flakes? It's delicious, and it does have extra benefits."

4. And Mary... well, Mary knows nothing about the extra benefits this delicious cereal provides. She only knows she's never tasted anything so good—especially with sliced bananas. And mother and dad agree!

PERHAPS YOUR CHILDREN TOO may benefit from this delicious cereal

Post's 40% Bran Flakes (with other parts of wheat) provides the bulk most systems need... bulk so many diets lack. And thus it helps to insure normal elimination... to prevent intestinal sluggishness.

You'll all love Post's 40% Bran Flakes—so crisp and refreshing and delicious. Get a package today! A product of General Foods.
