Walterville Notes

WALTERVILLE, April 6.—(Special)—A. K. Jennings has installed a second gasoline pump at his service station. The work was done last week.

C. L. Scott and daughter Mrs. Ed Schultz of Bend, motored over the past last week end and Mr. Scott spent Saturday working at his place at Walterville. On their return trip they had to go by way of Portland as the pass closed while they were on this side. Mrs. Schultz who is teaching at Lapine had to be back Monday morning for school.

Mr. and Mrs. Vern Caldwell left Saturday afternoon to spend the Easter with relatives and friends. Stopping at Albany for Saturday night and motoring on to Portland Sunday and returning that evening.

The grade school baseball team went to Deerhorn Wednesday afternoon for a practice game with that school team. The Walterville team won. The players from Walterville included Jim Irvin, George Drury, Gladys Zehner, Thomas Hardy, Mary Irvin, Winifred Kleibusch, Tommy Benson, Jack Dunlap and Evelyn Hansen.

The Walterville Ladies' Aid society met Wednesday all day at the social room of the church for quilting. A tulip design quilt was put into the frames for Mrs. Lester Millican, and a flower garden quilt worked on for Mrs. Cooper of Drain.

Evelene Henry of Cedar Flat has leased the Erie Hart service station taking possession Saturday. Miss Henry says she is making no changes in the station. Mr. Hart has made no announcement yet as to what he expects to do this summer.

The fishing season opened Thursday morning and a number of boats put in on the McKenzie. Some at Deerhorn point and others putting their boats in at Hendricks bridge.

A number of ladies from Walterville motored to Leaburg Thursday afternoon where they were entertained with a silver tea at the home of Mrs. Louis Bittle.

Some of the members of the Walterville Sunday school are making plans on attending the quarterly conference which is being held Sunday at the Thurston church. Mrs. O. L. Stacy, young people's class teacher at Walterville is to lead the discussion for the teachers of the other young people's classes in the district.

Preparations for placing the salmon racks are being made for this season and timbers have been hauled for the "horses" which are being made for the upper racks.
