

REX STYLE SHOW TO PRESENT ALL LATEST FASHIONS

The very latest in styles for the summer season of 1934 will be presented with living models at the Rex theater Sunday afternoon and evening in connection with the opening performance of "Fashions of 1934," a drama of the costume design business. Leading designers in women's apparel in Eugene are cooperating with the Rex theater in the event.

On a runway which will extend into the audience, models will parade in the most attractive summer gowns and hats and the latest in shoes and accessories. People in the audience will thus have an opportunity to see the garments close-up as well as under the stage spotlights.

The play "Fashions of 1934" is much more than a parade of Hollywood beauties. It is based on the keenly competitive and often dramatic problems of the style business. In New York or Paris, legitimate designers at great cost prepare the fashion outlines for a season. Constantly they must be on guard against "style pirates" who resort to every trickery to get "the low-down" so that exclusive models can be imitated in cheap sweatshops.

William Powell, Verne Teasdale, Bette Davis and many other stars are in the cast of the show. Further announcements will be made in this paper.

PEACE RIOTS STORY

licking song calling upon the students to "fight, fight, fight."

Albert A. Mattinger, Harvard student speaking for the anti-war faction, alone was permitted to complete his address, and that with difficulty.

"STRIKE" IS CALLED
NEW YORK, April 13.—(AP)—A cry "Strike against war" resounded on many campuses today, summoning students to drop books at 11 a. m. and demonstrate for peace. Even before the movement got officially under way it resulted in bruises for about 20 persons.

A riot launched the peace drive in Brooklyn last night. About 500 students of an evening high school joined 2,000 other persons in trying to persuade 1,500 remaining students to join their ranks.

Police Take Hand
There was a melee, in which police swung night sticks and demonstrators swung fists and feet. After the wild turmoil was over, two policemen were treated for sprains and bruises, and a citizen for scalp wounds. Many others limped away before the ambulance surgeons could get to them. Eight persons were arrested.

Detectives said known ringleaders led some of the groups of rioters.

The anti-war movement, described as nation-wide, gave authorities of many colleges some anxious moments for they feared other classes.

One hundred students met in New York under the banner of the student anti-war week to plan meetings.

Wool Trade Quiet During Past Week

BOSTON, April 13.—(AP)—The Commercial Bulletin of Boston will say of the wool market tomorrow: "The wool trade has passed through another quiet week, the turnover of the past three weeks averaging about a half-million lbs. per week. Prices are irregular and hardly changed for the week."

"Foreign markets are a bit steadier, with new business in the transatlantic markets moderate."

THREE DISTRICTS GET NO FERA FUND

Applications of three different Lane county school districts for federal emergency relief administration funds to enable them to complete their school terms have been rejected, according to word received by L. C. Moffitt, county superintendent, from the state department of education Friday.

These districts are No. 83, which is the Warner district on Fall creek; No. 149, the Lighthouse district, and No. 51, Fir Butte district.

The reason given is that these districts have not made the "local maximum effort" as required by the rulings and instructions of the FERA. In district 83 a special levy of only 1.4 mills was made for 1933 and 1934, whereas the minimum of 3 mills is required. In district 149 there was no special tax, and in district 51 the levy was only .9 of a mill.

William Schultz Dies Here Friday

William P. Schultz of 62 North Washington committed suicide Friday morning by slaying his throat. He was rushed to the Eugene hospital, dying about 9 o'clock. No motive for the act was given.

Mr. Schultz was born on April 8, 1882, at Charleston, Ark. In his boyhood his family moved to a place near Norman, Okla., where he grew up. He was married to Miss Mella Cole-ric at Norman. They came to Eugene in 1909, purchasing their residence

on north Washington street, where they have lived ever since. Mr. Schultz was a member of the Christian church and of the Woodmen of the World.

He leaves his widow, Mrs. Mella Schultz, and two daughters, Mrs. Zella S. Mannel, 1741 James street, and Miss Grace Schultz, at home. Funeral announcements will be made later.

Two pickets at the Cleveland Worsted Mills company plant were shot, one suffering serious wounds. They told police an unidentified man fired at them with a shotgun. A strike has been on at the plant for several weeks.

Plane Plants Affected
Authority to call a strike at the St. Louis Chevrolet and Fisher body plants was voted by the executive committee of the Federated Automobile workers of America at a meeting of workers late last night. The trouble is over the alleged refusal of the two companies to rehire about 250 men, most of whom have been active in union affairs.

Striking aircraft workers in Buffalo expressed unconcern over threats of the Curtiss company to move operations to a Baltimore plant. Almost 2,100 workers are involved at two factories which have contracts for about \$5,500,000.
