

CLUB BOYS, GIRLS GIVE INSTRUCTION FOR SUMMER WORK

Final plans for the attendance of Four-H club members of Lane county at the annual summer school at the state college at Corvallis June 11-20 were discussed at the regular meeting of the Local Leaders' association at the courthouse Tuesday evening.

Six persons from whom the two chapters for the club members will be selected were named and announcement of the two selected will be made soon. One of the chapters will be for the girls and the other for the boys and they will be with the group a greater part of the time.

Instructions to the club members attending have been issued at the office of H. C. Kuehner, county club agent. Each member is to take bedding for a single bed. In no case should a boy or girl take much extra money as they might lose it. If more money is needed they could write home for it. A special fare has been granted by the railway company and club members will be taken direct to the dormitories on the campus.

Baggage tags and identification cards are sent to each member. Boys should attach the red tags to their baggage and girls should attach the green tags. These tags will help to keep the baggage straight when it arrives.

As to clothing, girls should wear school dresses for classes and a street or afternoon dress for Sunday. Looped shoes should be worn. Boys should have a good suit of clothes for Sunday and overalls or corduroy pants for classes and play. The usual toilet articles and plenty of towels are necessary. A drinking glass, and girls should have needles, thread, thimbles and the like. Tennis shoes and gym suits should be taken along for gym work and games.
