

PIONEER PICNIC OPENS THURSDAY AT BROWNSVILLE

The annual Linn county pioneer reunion and picnic opened at Brownsville Thursday and will continue Friday and Saturday. Brownsville citizens had made elaborate preparations for the event and reports from there indicated a large attendance for the exercises on the first day.

This is one of the outstanding pioneer events in the state and has been held annually for many years. Pioneers from all over the state usually attend. Thursday was community day, and Lebanon, Halsey, Harriburg, Sweet Home and Brownsville each had community programs.

Pioneers Day—Friday—will honor the pioneers of Linn county and Oregon. The program will consist of parade, pageant, instrumental and vocal music, readings, addresses, including a "Political History of Oregon," by L. H. McMahan of Salem, and a historical address by Milton A. Miller of Portland. Baseball, dancing and band concerts will add to the enjoyment. Ned H. Callaway, president of the association, will preside at the platform exercises.

The other playground apparatus has been installed in the park and under the SERA project a number of men are cleaning up the grounds and repairing the apparatus."
