CASTILLO, JACKSON TO MEET THURSDAY

Two fair-haired boys, against two big bad villains—that's this week's wrestling dish at the armory, and it promises to be plenty hot. Herb Owen, promoter, announced Monday that the popular Spaniard, Pascual Castillo, will meet the one and only Building Jackson in the 45-minute semi-wildcat, with Texas Teddy Waters tagging with Mickey McGuire in the main event.

Jackson and Waters are recognized as two of the dirtiest, toughest grapplers in the business, while McGuire and Castillo are of a directly opposite ilk, each depending on speed and science for victory.

McGuire asked for the bout with Waters after Texas Ted manhandled George Bennett last week, and Owen granted his request. McGuire's statements concerning Ted's ethics have irritated the Texas Tornado, and the bout has taken on all the aspects of a genuine grudge affair.

The Castillo-Jackson bout promises to be fully as exciting as the main event, and fans are urged to buy their tickets early, as a capacity crowd is expected.
