POOSH 'EM UP TONY BEATS FRANK KLINK

NEW YORK, June 29.—(AP)—Three times a world champion—three times "washed up"—Tony Canzoneri, stubby Italian-American from New Orleans, today stands once more on the threshold of a world title.

Last night the little battler, who lost his third title a year ago to Barney Ross of Chicago, clubbed down the challenge of Frankie Klink, the Portola Pippin, and became again the outstanding threat for the title he once held.

Tony won in the ninth round when Referee Patsy Haley halted the fight. Klink was groggy from the smashing, mule-kick mauling of the tough Italian, who seemed as good as he was the day he knocked Al Singer, the Bronx brawler, stiff.

Canzoneri now is expected to be matched with Ross for the lightweight crown.

ARDEN ROLE!

A female Enoch Arden, Mrs. Nina Mae Green, 29, left, whose mother buried the body of a drowning victim in 1928, believing it that of her daughter, has reappeared in Egbertville, N. Y., as a tavern waitress. Her husband of Muskegon Heights, Mich., remarried four years ago and now faces a bigamy-divorce tangle.

President to Sail Westward On Sunday

WASHINGTON, June 29.—(AP)—President Roosevelt will sail from Annapolis, Md., at 7 o'clock Sunday night on his cruise to the West Indies and Hawaii, the White House announced today.

The president originally had fixed tomorrow morning as the sailing date, but it was explained the pressure of last minute government business was too heavy to permit him to adhere to that schedule.

Party Will Try To Find Route of Pioneer's Road

In quest of more traces of the pioneer wagon road of 1883 over which a large immigrant train crossed the summit of the Cascades by way of the Willamette pass, Mr. and Mrs. George N. McLean of Eugene and Mr. and Mrs. Charles Williams of Pleasant Hill will leave Saturday on a several days' trip.

Mr. McLean and Mr. Williams have heretofore discovered old tracks made by the pioneers' wagons in different sections of the upper Willamette country and they believe they will eventually be able to trace the entire route taken by the immigrants in the early days. It is altogether likely that the early settlers in crossing the mountains followed the course of the river a greater part

Doctor Holds Hope For Marie Dressler

SANTA BARBARA, Cal., June 29.—(AP)—The dawn which physicians predicted Marie Dressler would never see found the veteran trouper's amazing courage carrying her to temporary triumph over death today. "Her condition is the best in three

days," said Dr. Franklin R. Nugum, who feared last night that the noted stage and screen actress' heart would fail her before morning.
