PORTLAND BUTTER MARKET IS FIRM

PORTLAND, July 13.—(AP)—Local butter market appeared due to finish the week in the firm position at which the period opened. Outside demand for Oregon butter continued steady throughout the week and receipts have been closely cleared, according to the trade. Prices here were unchanged and firm at their current levels. Cream receipts were light.

Eggs were fully firm, especially in quality stuff. The advance of Thursday held today.

Cheese was unchanged and about steady.

Extremely early, due to the generally advanced season, local danish squash has put in its appearance. Flats were priced by the trade at 75c.

There was but little asparagus today this moving at $2.50.

No material change was apparent in the tomato market. There were ample supplies for all demands and trading was about normal for this time of year.

The trade could have absorbed more cucumbers. They were priced at 40c and steady at that figure.

Local and Hood River pack Gravenstein apples were on the market and found a good movement at 75c to $1.25 box, depending on appearance and quality.

The fish market was about unchanged and fairly slow. Two halibut boats arrived, but had not been unloaded early.

Heals Eczema
or Your Money Back

Here's a surgeon's wonderful prescription—not a patent medicine—that will do more to help you rid yourself of unsightly spots and common skin troubles than anything you've ever tried.

Go to Carroll Drug Co., Stevenson's Family Druggist or any druggist you can trust and get a bottle of Moone's Emerald Oil. Apply a little at intervals as directions advise; with the very first application itching ceases and with continued use you'll soon see a rapid change for the better. If you don't get complete satisfaction your money will be cheerfully refunded.
