Special Police For Camp Start Thursday

Three special police officers, deputized by the city police department, started work at the transient relief camp in Skinner Butte park Thursday morning. The men work six hour shifts each, the first shift starting at 10 a. m.

While deputized by and working under the Eugene police department, costs of the special policing is borne by SEPA, according to Dr. George Simon, chairman of the city police committee.

The special officers patrol the grounds around the transient camp, so that transients do not stray from the camp and generally police the district of the camp, Dr. Simon said.

Best as a CEREAL Best for COOKING

It's so convenient to keep a package of Kellogg's All-Bran in the kitchen. Serve it as a cereal. Use it also as a healthful ingredient in your cooking. For muffins, breads, omelets, waffles, etc.

All-Bran brings your family the "bulk" that is so helpful in correcting common constipation.

Two tablespoons daily are usually sufficient. In severe cases, with each meal. How much better than risking patent medicines!

Laboratory tests show Kellogg's All-Bran supplies "bulk" and vitamin B to aid regular habits. This "bulk" is similar to that in leafy vegetables. All-Bran is also rich in iron for the blood.

Special processes of cooking and flavoring make Kellogg's All-Bran finer, softer, more palatable than ordinary raw bran.

And because it is all bran—with only flavoring added—it brings you more "bulk" than part-bran products.

Get the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.

FLAMES TAKE WHEAT THAT SURVIVED DROUGHT!

Destruction of this tract of wheat was completed by flames, after the grain barely had survived the long drought, with most of the able-bodied population of Clearwater, Kan., fighting fruitfully to halt the blaze. A strong wind sent the fire raging through a mile of the wheat before it was quelled upon reaching a highway.

Oregon Retail Trade Shows Marked Gain; Employment Is Showing Upward Trend Here

By H. C. HUNTER, Associated Press Oregon Correspondent

WASHINGTON, July 13.—(AP)—Improvement in retail trade employment for the state of Oregon for the months of April to December, inclusive, 1933, was shown in a report of the census of American business for that state.

The bureau of census said there was a 20 per cent improvement in employment in retail establishments in the state in those months, while in 1929 the increase was but seven per cent.

"This increase, when compared with the increase shown for the April-December period of 1929 indicates the gain shown throughout the state was substantially more than seasonal," said William L. Austin, director of the bureau of census.

The number of stores dropped 6 per cent during 1933 compared with 1929, the total decreasing from 14,750 to 13,749. The dollar volume of retail sales showed a decline of 51 per cent from the pre-depression year.

Meetings Continue At Fairgrounds

"The Activity of Demons in the Last Days in the Light of Science, Revelation and Reason" will be the topic for Evangelist Jay C. Kellogg's sermon at the Lane county fairgrounds Thursday evening. Large crowds are attending these meetings and it has been necessary to provide more seating space.

Friday will be Overcomers' day at the camp meeting and the young people will have charge of the three services. There will be a special prayer meeting at 9:30 o'clock and the morning service at 10:30 with Evangelist William Slipp speaking. Miss Edith G. of Vancouver, B. C., will speak in the afternoon and Mr. Kellogg will speak in the evening.

Visiting young folk and preachers will be guests at a basket lunch to be given by the local Overcomer group at Skinner's butte at 6:30. An informal discussion of young people's work will follow, before returning to the fairgrounds for the evening service.

NAZI SALUTE? NEVER! PARISIAN WIGWAG!

At first glance, the observer would say, "Ah, another army of youth saluting Hitler." But far from this marching throng of lads is giving the famed Franco-Roman salute, not the Nazi or Fascist gesture. Five thousand of them marched in a pageant sponsored by the Union of Physical Education Societies, the Tuilleries in Paris, while President Lebrun watched from the platform of honor.
