Dead Doctor Heals

Stomach Ailments

A weird story is told of a well-known specialist reaching from the grave to curb stomach suffering. Years ago this doctor created a prescription for stomach ulcers, acid stomach, gas pains, heartburn, indigestion, bloating, belching, and other symptoms when caused by excess acid. Then the good doctor died. But his name brought fame after death as one user told another of his wonderful prescription. In the past six years, 54,169 grateful persons have written letters telling of their recoveries. This prescription is now known to hundreds of thousands as the Unga Treatment. All stomach sufferers may have a free sample by writing to Unga, Suite 68, Foot-Schulze Bldg., St. Paul, Minn. The seven-day trial box of Unga Tablets is sold under a money-back guarantee of satisfaction by
