

Hubbell's Great Arm Leads Giants Ahead Butterfat, Butter Up; Wall Street Is Better

NEW YORK TEAM STOPS CINCINNATI RALLY TO WIN 7-4

By HERBERT W. BARKER (Associated Press Sports Writer)

The National League ball is the batsman's delight under ordinary circumstances but not when Carl Owen Hubbell is on the throwing end of it.

Although Hubbell perhaps has been hit slightly harder this year than last when he led the New York Giants to a league pennant and the world championship, the great left hander still is the big ace on Bill Terry's staff and possibly the most valuable piece of pitching bric-a-brac in baseball.

A large slice of the credit for the Giants' present position in the 1934 race—lead the second place Chicago Cubs by five and a half games with six weeks to go—belongs to tall Carl. The Giants have played 117 games and Hubbell has been in 36 of them, starting 27 contests in 20 of which he still was there at the finish, and serving in relief roles in nine other games. He has won 18 games and lost nine so far and may yet better his 1933 record of 23 and 12.

He was called in for rescue duty for the second time in as many days yesterday and stopped a threatening Cincinnati rally as the Giants won 7-4, and extended their winning streak to five games in a row.

Jim Moore's double and three singles led the Giants attack which sent Tony Freitas to the showers after seven frames.

The only other game on the day's major league schedule was extraordinary in that Pittsburgh finally won a game from Brooklyn. Pie Traynor's Pirates had taken eight beatings in succession from the Dodgers until Bill Swift came up with an eight hit game and led Pittsburgh to a 6-2 triumph.

HIGH CLIMBER

By R. L. S.

Those who journeyed to Albany Sunday saw the Townies display real hitting strength, in eliminating the Alcos from the lead in the State League. Charles, the Alcos regular hurler, was touched for a run in each of the second and fourth innings which evened the count, as Albany had scored two in the second, but the Townies were just warming up.

Ray Koch started the sixth with a well placed hit and was followed by Joe Gordon, Van Duyn, Lewis and Bishop all hitting safely to drive in three runs and chase Charles to the showers with only two out.

Lefty Covert came to the rescue and footed the boys with his slow curve for another inning, but in Eugene's half of the eighth Koch again started the fireworks with a hit and the entire lineup batted around scoring five runs before Bob Wilshire was tagged at the plate as he slid. Wilshire was hurt on the play and was carried from the field with a badly sprained ankle.

Bob had pitched excellent ball in the seven innings, allowing only six hits and had set the hard hitting Wilkinson and Bigbee down four times each, without a safe hit. Cecil Inman went in and retired the Alcos in order in their half of that inning but was touched with a hit, a base on balls and a hit batsman, to score their fourth run in the last of the ninth.

The Townies, with Joe Gordon and Jack Van Duyn each getting four hits, totaled seventeen safeties in scoring thirteen runs, and, defensively, they turned in almost a perfect game, with but one outfield error. The "patched up" Albany lineup carried all the regulars names except Hecker at second base, but just could

EUGENE TOWNIES TO PLAY COLORED NINE HERE ON SATURDAY

The Eugene Townies will play the Van Dyke Colored House of David team next Saturday afternoon, at the Lane county fairgrounds. This is the last home game scheduled for the Townies this season, as their last remaining Oregon State League game is to be played at Bend the following day.

This team comes from Sioux City, Iowa, and boasts some of the best colored ball players in the country. Don Husband, manager of the Townies, drove up to Portland after the game at Albany last Sunday, and saw the Van Dykes play a group of all stars in Portland. Although the all stars beat them, yet this was probably because they were not used to playing under the lights as several of the Van Dykes were dropped in the outfield that were extremely costly.

The all-stars had a very formidable lineup including Jim Keesey at first base, Ray Koch at second, Joe Gordon short-stop, Calkins at third, Johnny Blacone and Louie Sauer, two of Portland's heavy hitters in the outfield.

The Van Dykes warm up beautifully, and the fans here will probably be treated with the best exhibition of throwing the ball around in the warm up, that they have ever seen. A big colored individual by the name of Drake took the catching assignment in the warm-up and he threw the ball around like a stone or a small pebble. They also show exceptional speed on the bases. The fans will also be treated to what is known as their shadow ball. This is the first time anything like this has ever been shown in Eugene, and their pepper game is as good as that of the renown Israelite House of David.

The Townies are confronted at the present time with a pitching problem for this game, and it may be necessary they will have to go to Portland to get a capable pitcher to pitch this game as they will need both Inman and Wilshire for the game with Bend the following day. In addition to that, both Wilshire's and Inman's arms are ailing, and in addition thereto Wilshire sprained his ankle in the game at Albany last Sunday.

In the game at Portland last Sunday night, Young, the colored pitcher, had as much speed, or more, than Joe Lillard, the well-known colored star who attended the University of Oregon several years ago. At one time, with the bases loaded, this fellow Young struck out Keesey and two other men without them scoring a run, and Jim Keesey was heard to make the remark that Young had more speed by far than the majority of the Coast League pitchers.

TUESDAY PROGRAMS
McDONALD, Double bill, "Girl from Missouri," with Jean Harlow and Fanchot Tomes plus "Ladies Should Listen," with Gary Grant.

HEILIG—First run showing of "Little Man, What Now?" with Margaret Sullivan and Douglas Montgomery.

STATE—Double bill, "Success At Any Price," with Doug Fairbanks, Jr., and Genevieve Tobin, plus "One Year Later," with Mary Brian and Russell Hopton.

One of the most interesting features of "One Year Later," now playing the State theater, is the novel manner in which the story is told. Combining current happenings with the events of the preceding year, the picture makes use of a new technique in keeping what has gone before with what is actually occurring properly balanced.

Behind the reputations of four men prominently identified with the production of one Metro-Goldwyn-Mayer film stands approximately a century of valuable experience in the making of motion pictures. The picture is the new Metro-Goldwyn-Mayer production, "The Girl from Missouri," at the McDonald theater with Jean Harlow in the stellar role.

One of this season's surprises of the screen is Paramount's "Ladies Should Listen," showing at the McDonald, in which Gary Grant reveals a new facet of his versatility. This bubbling, Continental comedy gives Gary Grant a chance to display his abilities to the fullest extent as a competent farceur.

"Little Man, What Now?" now showing at the Heilig, is big, the biggest picture of the year, based on the biggest book of the decade—starting the screen's biggest discovery, Margaret Sullivan—directed by a man who has given us a dozen big successes, Frank Borzage. Youth at the threshold of life. If you are young, if you have ever been young, this is a picture that makes you think and feel, that will shake you into a new realization of all things that are lovely and lasting. Romance has never been more remarkable or realistically presented than in this drama.

Wheat Advances Slightly Tuesday

CHICAGO, Aug. 21.—(AP)—Grain prices moved upward again cautiously today on the stimulus of fresh advances in foreign markets. Although overnight gains of almost two cents in wheat and more than a cent in corn were scored at times, the net change was held to a slightly narrower range largely as a result of hesitancy on the part of buyers.

Failure of outside buying to broaden in sympathy with pronounced strength in wheat and corn abroad was disappointing.

Wheat closed 1-2 to 1 1/4 cent higher compared with yesterday's finish, December new at \$1.05 7/8 to \$1.06 1/8, old at \$1.05 1/2 to \$1.06 1/8. May deliveries closed at \$1.07 3/4 to 7/8, while September new ended at \$1.04 3/4-7/8.

Corn showed a day's gain of 1 3/8 to 1 1/2 cent, down 1-8 from the high, December closing at 78 to 78 3/8. Oats gained 1-2 to 3-4. Rye and barley went up more than a cent.

Wheat: Sept. old open 1.04 7-8 to 1.05 1/4-1/2; new 1.04 3-4, close 1.05 1/2-1/4; Dec. old 1.04 3-4, close 1.05 1/4-1/2; Dec. old 1.05 3-4, close 1.05 1/4-1/2; Dec. old 1.05 3-4, close 1.05 1/4-1/2; Dec. old 1.05 3-4, close 1.05 1/4-1/2.

Wholesale prices for cheese are now 14, 13, and 12 cents here.

All other market prices remained unchanged for the day.

167 GOLFERS TO START AFTER CUP

NEW YORK, Aug. 21.—(AP)—Seeking 167 qualifying places in the national amateur golf championship, 740 golfers will tee off today in 22 districts from Boston to Los Angeles.

One qualifying play has been held—the Honolulu district, in which 11 are entered. Thirteen golfers are exempt, including the defending champion, George T. Dunlap, Jr.; the British amateur champion, Lawson Little, of San Francisco, and 11 former American champions.

The total entry list is 754, largest in history. Of the 750 playing today, 30 will be in districts away from home, and will have to qualify with a score equal to the lowest in the district in which they play.

In cases where the qualifiers are unable to compete in the national play at Brookline, Mass., Sept. 10 to 15, substitutes will be selected to fill each district quota.

Harry Elliott Wins Match With Waters In Portland Monday

PORTLAND, Aug. 21.—(AP)—Harry Elliott, Eugene wrestler-referee, outclassed Teddy Waters, Texas, here last night, taking two out of three falls. Elliott weighed 192, Waters 195. Waters won the second fall with a series of head-hunting punches. Both of Elliott's falls were taken with a seldom used hold, a full leg Nelson.

Ben Sherman, 158, Portland, made an impressive debut by taking two straight falls from Sailor Trout, San Pedro.

Antonio LaBlanc, France, won two out of three falls from Jack Curtis, New Mexico.

In the opener, Don Sugal, Salem Japanese strong boy, took a single fall and the match from Joe Norman, a newcomer from North Dakota.

FOUR EVENTS ON SCHEDULE FRIDAY FOR BOXING CARD

Two preliminary engagements and two main event battles have been announced for Herb Owen's Friday night fight card at the armory this week. With this the first boxing event scheduled in Eugene for many moons, local fight fans have evinced considerable interest in the arrangements.

In the first main event, a couple of welterweights, Jack Hibbard, Klamath Falls, and Frank Overby, Spokane, will go eight two-minute rounds. Both these lads have been fighting in Portland where they have won themselves the reputation of strong battlers with clever technique.

A pair of heavy lightweights, Frank Monroe, Klamath Falls, and Russell Howard, Portland, will fight the other eight-round event. These lads are fast and hit hard for men of their size, according to Promoter Herb.

The first four-round preliminary event will see Ike Kostwick, Portland, paired off with Roy Sunbeam, St. Helens. These boys are lightweights and have been active in fight circles in Portland and that vicinity.

To sprinkle variety in the card, Owen has engaged two heavyweights, Roscoe Smith and Kid McCoy for the second four-round preliminary. These lads, known more for their ability to sling bloody blows than for their boxing technique, are expected to furnish considerable excitement for the fans.

Grim Worries Send Grimm Back to Team

CHICAGO, Aug. 21.—(AP)—Charley Grimm, who was given sick leave Sunday as he could confer with his family physician at St. Louis, returned unexpectedly today to again take command of the Chicago Cubs.

Grimm confessed he was far from well today, but said he decided his place was back with the Cubs.

"I got to worrying about Don Hurst and his sinus trouble," Grimm explained. "I thought maybe he'd have trouble playing in important games coming up. So I decided to come back."

Events Lined Up For Wrestling Card

Sailor Trout will tangle with Rod Fenton, Canadian grappler, in the semi-final event of the regular Thursday night wrestling card at the armory this week. It was announced Tuesday by Promoter Herb Owen.

Fenton appeared here about a year ago and made a hit with local fans. This is his first match in this vicinity since that time and those who have seen him in action declare he has shown considerable improvement during the last year. The match will go 45 minutes.

In the main event Spanish Pascual will meet Terrible Teddy Waters for a one-hour match.

Art O'Reilly, who is leaving Eugene shortly to take a scholarship in the east, will make his last appearance here as referee Thursday night.

SECOND HALF RACE STARTS IN LEAGUE

By United Press

The firing begins anew today in the Pacific Coast league, where Los Angeles and Seattle are tied for first place in the bitter struggle for the second half championship.

The Angeles, still on the road, journeyed to Oakland to meet a team which last week won six of its seven games. Seattle was traveling and will not play until tomorrow, when it will tackle Hollywood in a double-header on the latter's home grounds. Hollywood won five of its seven games last week.

The Mission Reds, sidetracked last week by Los Angeles, hoped to improve their position at Portland's expense. Their series is being played in San Francisco. The Reds are seven games out of first place. The San Francisco Seals, tied with the Reds for fourth, play the Sacramento Senators.
