

LIONS DRIVE FOR CLOTHES AND TOYS TO BEGIN THURSDAY

Determined that no family in Lane county go without warm clothing and a bit of Christmas cheer for the children, members of the Lions club of Eugene lined up the last details for their annual clothes and toy drive, Wednesday, at the weekly meeting.

The drive starts early Thursday morning, barrels and boxes to be out on the street corners down town then to receive contributions.

The need is greater than ever this year, the club members were told, Wednesday, and members are working hard to see that all of the 6000 articles of clothing and toys set as a goal be obtained.

Prizes are to be offered to teams getting the most clothes. Six teams have been lined up, three on the east side and three on the west side. Two prizes are planned, one for the team getting the most articles of clothing from the east side and the other to the team getting the most on the west side.

All clothing and toys are to be turned over to the Red Cross, the Welfare League, and the city police matron for distribution.

The clothes drive is being pushed first, the toy work to be concentrated on a little later.

On Dec. 9, 10, and 11, the Heilig theater is to put on a toy matinee for the benefit of the Lions club toy drive.

Wheeler and Woolsey in "Kentucky Kernels" will be shown. Admittance for boys and girls and men and women will be one toy each, the toys to be usable for the drive.

This picture stars "Spanky" McFarland, six-year-old star of "Our Gang" comedies. All toys collected at the matinee performances will be given over to the Lions club. The toys needing repairing and re-painting will be cared for at the city fire department and at the federal transient camp.

Gent Leghorns Are Shipped to Alaska

Gent's Leghorn farm, well known poultry breeding farm of production of White Leghorns exclusively, is making shipment to Alaska this week, 15 choice laying pullets and one super high pedigreed cockerel. This shipment, believed to be the first from Oregon state to Alaska, will form the nucleus of a poultry plant to be run in conjunction with a dairy farm operated by Lee Stearns of Petersburg, Alaska.

Demand for Gent's treasured and pedigreed Leghorns is rapidly growing on a wide scope. Only recently an order for 100 pullets was received from Colon, Republic of Panama, and inquiries were received from the University of Agriculture, Canton, China, and several from Honolulu and the Philippines.

Mr. and Mrs. P. A. Gent who operate the 8,000-capacity Leghorn farm, report unusual interest among commercial egg producers as the favorable egg market of the past two months indicates better times are here for the poultrymen who are now ordering their 1935 baby chicks. Several thousand Gent's chicks have been sold in the past ten days.

This week the Gent's are sending 17 of their choice birds to the fifth annual Bandon poultry show, the largest production-bred poultry show in the west, where they won highest awards in 1933 and hope to duplicate last year's winnings. Mr. and Mrs. Gent will drive to Bandon to attend the show this week-end and return by way of Crescent City, Cal., and the Redwood highway.

Noted Astronomer Dies in Holland

AMSTERDAM, Nov. 21.—(AP)—Dr. Willem de Sitter, 62, noted professor of astronomy of Leyden university, died today of pneumonia.

Dr. de Sitter collaborated with Professor Albert Einstein in the winter of 1931-32 at the Mount Wilson observatory of the Carnegie Institution of Washington, in studies concerning their two separate schools of thought on the structure of the universe.

On March 22, 1932, they issued a joint statement: "On the relation between the expansion and the mean density of the universe." The two scientists said the curvature of three-dimensional space may be positive, negative, or zero.

By the end of October, New Jersey has spent \$29,124,113 for relief through the emergency relief administration.

OFFICIAL COUNT SHOWS MARTIN'S LEAD AS 21,158

SALEM, Nov. 20.—(AP)—Charles H. Martin, democrat, received a plurality of 21,158 over Peter Zimmerman, independent, for the office of governor at the recent general election, according to complete official returns in this contest tabulated by the secretary of state today.

The tabulation showed that Martin received a total of 110,677 votes as compared with 95,519 for Zimmerman, and 86,926 for Joe E. Dunne, the republican nominee. Harry J. Corzeli, communist candidate, received 1,475 votes while Abram M. Silverman, independent, polled 1,379 votes. Hank E. Wirth, independent, who unofficially withdrew from the race a week prior to the election, received 536 votes.

In the first congressional district the vote was as follows: James W. Mott, republican, 67,280; R. R. Turner, democrat, 51,473; Emmett W. Gulley, independent, 12,965; S. Richards, 325.

The vote for congressmen in the second district was: Walter M. Pierce, democrat, 29,221; Jay H. Upton, republican, 21,255; O. D. Teel, socialist, 1634.

Returns for other offices filed at the general election were being canvassed by the state department today but it is not likely that the tabulation will be completed before Thursday or Friday.

License Reminders Sent Car Operators

Automobile owners in Oregon will receive reminders this week of the approach of another registration year, when more than 290,000 letters are released in the mails by P. J. Stadelman, secretary of state.

Twelve-month licenses may be purchased for five dollars (\$5.00) for private passenger cars to be registered for the year 1935, this rate being the lowest in many years and enjoyed by car owners for the second consecutive time. A continuation of the plan of registering motor vehicles on a calendar-year basis retains Oregon on a registration schedule similar with other states in the union.

Those desiring to make application for plates for the new season at an early date may send in their remittances and their registration cards properly signed at any time and plates will be mailed from Salem to reach the applicants on Dec. 15, the first date on which 1935 licenses may be used," suggests Mr. Stadelman.

A drawing for low license numbers will be held on Nov. 27, and all applications received at that time will be included. Special numbers will not be assigned in order to continue the expeditions handling of plates.

Price On Turkeys Goes Higher Again

PORTLAND, Nov. 21.—(AP)—There was a general scramble for dressed turkeys in the local trade and a further advance of 1c lb. was offered and paid. The demand was immediate and for shipment to the California trade. It was however, last call for Thanksgiving insofar as the south is concerned.

Demand was getting better for hens than for toms although there was still a good demand for the latter that was more than sufficient to keep supplies cleaned. It does not make any difference at the moment what weight the toms range, said a prominent dealer, "because the big consumers are still buying. However hens are finding more favor and bring a premium occasionally of 1c above the toms."

Buying price on No. 1 toms was generally 21c lb., with hens to 22c of each line—would at the moment bring up to the extreme value.

The market today ruled 17-23c lb. for dressed birds and 15-16c live, just completed a four-months' trip to the east coast and gulf of Mexico.

Dance Petition Being Circulated

SPRINGFIELD, Nov. 21.—(Special)—Another petition favoring dances in the high school under supervision was being circulated in the city Wednesday morning.

The petition stated, "We are in favor of social activities for high school students and approve of dancing in the high school gymnasium." About 40 signatures had been obtained before 10 o'clock Wednesday morning. The petition was to be presented to the school board.

At the same time the board announced that it had not set time for another meeting to decide upon the dance question. At a hearing on the matter Monday evening the body agreed to investigate the matter more thoroughly before making its decision.

Rod and Gun Club Holds First Meet

SPRINGFIELD, Nov. 21.—(Special)—Plans for building a holding pen for China pheasants were discussed at the first fall meeting of the McKenzie Gateway Rod and Gun club held Monday evening.

A committee was named to investigate the feasibility of such a plan. At the same meeting the group worked on plans to hold a turkey shoot either just before Thanksgiving or Christmas. Donald Toombs will be in charge.

When the club holds its next meeting, on Dec. 17, an entertainment will be given. Several speakers will be invited, as well as friends of members. Henry Fandrem will be chairman of the committee on arrangements.
