TOOK ALL KINDS OF PILLS, THEN CEREAL BROUGHT RELIEF" Constipation. Due to Insufficient "Bulk." Relieved by Kellogg's ALL-BRAN. A fine letter from Mrs. Snyder: "I have had trouble with my bowels for years, taking all kinds of pills and drugs, with no relief. One year ago, I saw Kellogg's ALL-BRAN and bought a package. I have good movements every day. In 70 years old, I am telling my friends what bran has done for me."—Mrs. Sallie Snyder, 918 N. 1st Ave., Hollywood, Cal. Constipation due to insufficient "bulk" in meals. Research shows that Kellogg's ALL-BRAN furnishes "bulk" to excite the intestines. ALL-BRAN supplies vitamins B, as well as an element of the blood. Two tablespoons daily are sufficient to correct common constipation. With each meal, in such cases, if not relieved this way, see your doctor. The "bulk" in ALL-BRAN resists action better than the "bulk" in vegetables. How much better this food in place of patent medicines.
