DOCTOR TOLD HER HOW TO LOSE 17 POUNDS OF FAT

Gossipers Peeved

Mrs. Robert Hickey of Roseville, Calif., writes: "My doctor prescribed Kruschen Salts for me—he said they wouldn't hurt me in the least. I've lost 17 pounds in 6 weeks. Kruschen is worth its weight in gold."

Mrs. Hickey paid no attention to gossipers who said there was no safe way to reduce—envions women who don't like to see others youthfully slim. She wisely followed her doctor's advice. Why don't YOU?

Get a jar of Kruschen today (lasts 4 weeks and costs but a trifle) and if you don't feel years younger and healthier—money back. Simply take half teaspoonful in cup of hot water every morning (tastes fine with juice of half lemon added). For sale at Carroll Drug Co., Tiffany-Davis Drug or any drug store.
