A POET WHO KEPT HIS COUNTRY ALIVE

FOR more than a century, while Finland was under the yoke of Russia, a small group of poets and writers devoted their efforts to writing down the folk lore of their country in the Finnish language, which Russia tried desperately to wipe out.

Led by a country doctor, Elias Lonnrott, these patriots went into the remotest sections of the country and so succeeded in perpetuating their language and their national spirit which might have been forgotten in favor of Russian or Swedish.

They had established the Finnish Literary Society in 1831. One hundred years later, in 1931, 15 years after her autonomy had been recognized, Finland issued a set of two commemorative stamps, one with a portrait of Dr. Lonnrott, and the other with the seal of the society.

CITY OF HARRISBURG FINDS SUM IN BANK

HARRISBURG, July 6.—(Special)—A find of more than $300, which had laid in the bank for nearly ten years, helped the town council out of a tight place in furnishing the new town hall. The fund was started for a community hall. Much of it was raised when the Yeon bridge at Harrisburg was dedicated, women of the community serving dinner to a large crowd. Interest and principal, the fund now amounts to $309. It will be used, according to action of the council at the last meeting, for purchasing chairs, silverware, dishes and tables.

• • •

An ordinance was passed at the last session of the council providing for a bond issue of $2500 for refunding old improvement bonds. The original bond issue is due in September. Much of it has been paid but $2000, or thereabouts, stands out and there is not sufficient money in the treasury to redeem the balance. It is expected that a rate of interest can be lowered from six per cent to four per cent.
