SEALED-IN MECHANISM PROTECTED UNTIL 1940

AGAINST SERVICE EXPENSE*

Fear of Costly Service Calls Banished by Westinghouse 5-Year Protection! Years of Carefree, Economical Refrigeration Assured. See Westinghouse Streamline Models Today!

The protection that safeguards your investment in a Westinghouse Refrigerator is made possible by three important facts:

1. Westinghouse Refrigerators in the hands of many thousands of owners over the past five years have established an unsurpassed performance record.
2. Westinghouse makes only one quality of electric refrigerator—the best that can be built. No "price leaders".... no "second lines."
3. EVERY Westinghouse Refrigerator is powered with the perfect Westinghouse hermetically-sealed mechanism...sealed forever against dirt and moisture, requiring no oiling in a lifetime.

In addition to mechanical superiority, Westinghouse offers you greater beauty, convenience and capacity for food and ice. See for yourself. See the Revolving Shelf, the "Eject-o-Cube" Ice Trays, Triple-Storage Compartment, Automatic Electric Light, Handy Tray, and many other features. Let us prove it will cost you less to own the best. No obligation. Come in!

With every Westinghouse Refrigerator you get the standard 1-year warranty, plus four additional years' protection against service expense resulting from any possible failure of the Westinghouse hermetically-sealed mechanism. The cost of this protection—only \$5—is included in the original purchase price.
