HARRISBURG SELLS REFUNDING BONDS

HARRISBURG ,Aug. 8.—(Special)—At the meeting of the town council Monday night the bid from the Universal Bond and Mortgage company of Portland for $2500 worth of Harrisburg refunding bonds was accepted. That company offered to take the bonds at 4 per cent interest and pay a premium of 17 cents a hundred. One other bid was received, which offered a little higher premium but wanted 4 3-4 per cent interest. The council was highly pleased, regarding the first offer as a tribute to the credit of the town, especially as it was for so small a bond issue.

WHEN GIN IS CALLED FOR —CALL FOR GORDON'S

Now try this WORLD FAMOUS GIN

Many people still think of the harsh raw concoctions of prohibition when they think of gin.

That is because they have never tasted this world-famous gin.

In every country in the world Gordon's Gin is the standard of quality. Always a little higher priced, yet more of it is sold than any other kind.

To test Gordon's, to appreciate its smoothness and bouquet, pour some in a glass and taste it straight.

It has the bouquet and smoothness of a rare old cordial. Much higher in proof than other gins, still it is never raw or harsh to the throat.

Your cocktails will taste much better if you make them with Gordon's Gin.

And what's more, you'll feel much better the next morning.
