SPRINGFIELD, Aug. 13.—(Special)—Malcom Hansen, star boxer of the Deerhorn Athletic club and one of the best amateur middles in the county, will meet Warren Magwood of the Catholic Youth Order in the main event of the Springfield amateur fight card Tuesday night. The card, with eight bouts slated, is the first of the winter bi-monthly series staged by the Springfield boxing commission under the auspices of the Springfield American legion. Joe Bradshaw is matchmaker for the commission, while Herb Owen is promoter.

Bradshaw has lined up several outstanding Portland boxers to appear on Tuesday night's card, against the cream of Lane talent. In the semi-windup, Clarence Young, clever Eugene lightweight, has been matched with Jay Wilson, Brooklyn A. C. battler.

Cortesi to Show

In another prelim, Gino Cortesi, former coast champion, meets Harry Rogers of Springfield. Rogers came to Springfield recently, and has an impressive record in coast amateur rings. The bout should be a classic combination of clever boxing and hard hitting.

Wayne Ferguson of the Eugene A. C. meets John Latta of the Brooklyn A. C. in another preliminary. Both are heavies. Henry Young, younger brother of Clarence, battles Hal Joppin, B. A. C., in a supporting bout over a three-round route. Both are middles.

One "Rassle"

Roy Severson, clever Eugene middleweight, tangles with Sid Beamish, also of the Eugene A. C., in a three-rounder. Severson has yet to be defeated, while Beamish is listed as a tough, willing fighter.

Gorilla Bangs will meet Curley Moran in a 140-pound grappling affair. This will be the only wrestling match on the card.

In the opener, the Thienes twins, Carl and Earl, will battle a three-round boxing exhibition.

The card will open at 8 p. m., and the doors will be open at 7.

HIGHCLIMBER looks 'em over

By RICHARD JOHNSTON

Del Kunkle, the Salt Lake ex-amateur who has forged to the front in the professional ranks during the past three years, is still wearing the coast middleweight belt. Because he defeated Danny McShain in Portland Monday night, Del will be matched with Herb Parks, Canadian middle champ, in the main event of Thursday evening's rassle.

We went up with Del Monday and saw the bout with McShain. It was a scorcher—both the bout and the day. The temperature at 8:30 in Portland read 89, but despite the intense heat within the Labor Temple, Promoter Owen had a near-capacity house.

The fans were not disappointed, either. McShain, who seems always capable of thinking up new villainies, made use of the "chewed up cigar" stunt Monday night, and endeavored to teach Del to smoke through the eyes with remnants of the five-cent stogie.

That was one of the contributing factors in Kunkle's third-fall victory—presented the champ by Referee Pat Reagan after McShain's gouging had so blinded Kunkle that he turned on the referee, without recognizing him, and bounced him with an Australian piledriver.

Kunkle had less difficulty with McShain than previously but it was a plenty tough match. Handsome Dan's lethal knees and fists brought him the first fall, and Kunkle had to turn on the full supply of heat to get the second.

Reagan, incidentally, came in for a lot of ribbing from the crowd, but did a good job of refereeing and took a lot of punishment. Pat was socked by one guy or the other in every bout of the evening, with the final coup-de-grace administered by McShain following his disqualification.

Handsome Dan secured a chair and in a very business like manner broke it over Pat's head. Whereupon the tough Mr. Reagan, like the hero of a western story, came up off the floor to beat McShain's ears down.

The Portland fans are noticeably more partisan than the local variety, and even a bout that is a trifle dull keeps them at fever-pitch. They go plumb nuts on the main event, though, and every man-jack invites the villain of the piece to come up in the stands and "fight, like a man." Someday somebody'll fool 'em and call the bluff.

TRIANGLE BOXING, MAT CARD LISTED

TRIANGLE LAKE, Aug. 13.—(Special).—In the main event of the Triangle Lake wrestling and boxing card Aug. 14, the Masked Marvel will meet Bulldog Hammond of Eugene. The Marvel has agreed to unmask if he is beaten.

Walter Barrows, Triangle, will meet Bob Williams in the five round boxing semi-windup. Williams is a hard-hitting Eugene boy, while Barrows is boomed as one of the best in the Lake area.

In the five-round opener, Bob Gilliam, Eugene, meets Russell Curtis, of Triangle. This will be boxing. In the wrestling semi-windup, Swede Swanson of Cottage Grove has been matched with Cyclone Avery of Eugene.

As a special feature, the two Lake boys, Jimmy and Jerry of Springfield, will stage an exhibition wrestling match.

KUNKLE, PARKS TO BATTLE THURSDAY

It will be Del Kunkle, middleweight champion of the Pacific coast, against Herb Parks, middleweight champion of Canada, at the armory Thursday night in the main event of Herb Owen's weekly card.

It was announced Sunday that the winner of the Kunkle-McShain title bout in Portland Monday night would meet Parks, and Dynamite Del blasted his way to victory.

Owen also announced the semi-windup Tuesday. Lightning Rod Fenton despised meanie from Canada, has been booked to meet Sailor Trout, the San Diego gob, in the 45-minute special.

Owen will announce the opener Wednesday.

Del Kunkle Retains Coast Middle Belt

PORTLAND, Ore., Aug. 13—(U.P.)—Del Kunkle, Salt Lake, retained his middleweight wrestling crown Monday night when he threw Danny McShain two out of three falls. Kunkle won the championship from McShain last week.

The Salt Lake grappler lost the first fall, took the second and won the third on a foul.

EASTERN CLUBS TO PLAY WEST SERIES

NEW YORK, Aug. 13—(U.P.)—The pennant chase in the American league continued today after a day's rest with the eastern teams making their last western invasion.

The New York Yankees, six games behind the leading Detroit Tigers, began a series in Cleveland, Friday the Yanks play at Detroit and on that series will depend the New Yorkers' pennant fate.

There was no action in the National league today but tomorrow the crucial series between the New York Giants and St. Louis Cardinals begins. The Giants, three games ahead and the Cards, play host to the St. Louis nine, then play Cincinnati, and later the Chicago Cubs. The Cubs arrive in New York today for a series against Brooklyn beginning tomorrow.

In the only game played yesterday, the Pittsburgh Pirates defeated the Cincinnati Reds, 7-4. The Pirates gathered three runs in the first, added another in the second, and never were headed.

Red Lucas, former Red pitcher, received credit for the victory, although he was relieved in the sixth inning by Ralph Birkofer.

Marcola Wins Pair In Cascade League

The Marcola baseball team of the Cascade league defeated the K. C.'s 7 to 6 Sunday at Marcola in a close battle that nearly went the other way, and then blasted the Catholic club 16 to 2 in the closing tilt of the double header.

Hills-Giustina won an easy 15 to 0 victory over Yoncalla at Swimmer's Delight, while Springfield's game was postponed. In the Good Time loop, the Southsiders scored a 10 to 8 victory over the Eagles.

PORTLAND TO VIE WITH WEAK SHEIKS

(By United Press)

Seattle, now three games out of last place and down in the standing as the sixth place club, will square off this week against the seventh place Senators at Sacramento. The Indians slumped against Los Angeles last week, losing five games, Sacramento showed signs of improvement by winning a series, four to three, from the league-leading Seals. But the Indian cause will be strengthened by the addition of Dick Ward, hurling ace due to report this week.

San Francisco stepped from one tough series into a tougher one, a clash with the Angels. The Los Angeles club has won a majority of its games from the pace-setters this season but the Seals took the last series decisively. The Seals have an outfielding problem due to an injury to Joe Marty, center fielder. Manager Frank O'Doul may take over the post, which Steve Barath, a consistent hitter but not a strong outfielder, is attempting to fill.

The Mission Reds, virtually tied with the Seals for the top, also have a wildcat on their hands in tackling Oakland, the club which holds an Indian sign on Gabby Street's surprise outfit. Portland, half a game from the leaders, moves into Hollywood to play the one team in the circuit which has not shown improved play in the last few weeks.

TOWNIES, COLORED DAVIDS WILL PLAY

The Eugene "Townies" will play the Van Dyke Colored House of David here Friday, Aug. 23. The Van Dykes are from Sioux City, Iowa, and are making their third trip to the Pacific coast. They are colored boys and all have long flowing Van Dyke beards.

This is the second time they have played the Townies, the Townies having won from them last year by the score of 8-5 in a rather close battle. However, they claim they have a much stronger team this year than ever before, and their record seems to bear them out as they have won 55 and lost 10 games so far this season. They have won their last 15 games straight, against such towns as Spokane, Butte, Wenatchee, and other northwest teams.

Grain Prices Drop On Chicago Market

CHICAGO, Aug. 13.—(AP)—Wheat prices dropped about a cent a bushel today in a session of mild but persistent liquidation.

Weakness accompanied bearish interpretations of the Canadian government crop estimate and additional reports of importations of grain into this country. However, lighter hedging pressure and scattered mill buying was reported helping to support the market

Wheat closed 3-4 to 1 1-8 cent below the previous finish, December 88 3-4@7-8, and corn was 5-8 off to 1-2 up, December 55 3-8@1-2. Oats lost 7-8 to 1 cent, rye 3-4@1 1-4 and barley was 1@ 1 1-2 down. Provisions were slightly higher. The table:

Wheat: Sept. open 86 1-2@7-8, high 87 3-4, low 86 1-2, close 86 1-2@5-8; Dec. open 88 7-8@89 1-8, high 89 7-8, low 88 3-4, close 88 3-4@7-8; May open 90 1-2@91, high 91 3-8, low 90 1-4, close 90 1-4@3-8.

Corn: Sept. open 73 3-4@7-8, high 75 1-2, low 73 3-4, close 74 3-4@7-8; Dec. open 55 1-2@3-4, high 56 7-8, low 55 3-8, close 55 3-8@1-2; May open 56@56 1-4, high 57 1-2, low 56, close 56 1-8.

NEW YORK, Aug. 13—(AP)—Bar silver barely steady, 3-8 lower at 67 3-8.

NEW YORK, Aug. 13—(AP)—Hops, dried fruits, steady, unchanged.

The nightingale's song can be heard for more than a mile. It far exceeds most other birds in its vocal ability, but the fact that it sings at night has helped add to its reputation as an outstanding performer.

STATE, Double bill, "$10 Raise," with Edward Everett Horton, plus "Happiness Ahead," with Dick Powell. Ends Tuesday.

MAYFLOWER, "Becky Sharp," with Miriam Hopkins. Ends Saturday.

"She," at the Heilig, is the story of a young man, a middle-aged man, an old trader, and his lovely daughter, who venture far north into the land of Muscovy in the search for the mysterious country wherein dwells "She," the woman who lives eternal. "She" is played by Helen Gahagan, who does a grand job in the role. The young man is Randolph Scott, the young woman Helen Mack, and the middle-aged gent the screen's prize picture stealer—Sir Nigel Bruce.

* * *

"Becky Sharp" still on at the Mayflower—and still drawing good crowds. The first film to bring to the screen of the beauty of living color—in the story of "Vanity Fair." Miriam Hopkins has the lead, with Nigel Bruce stealing the show.

* * *

"Curly Top," at the McDonald stars Shirley Temple as the cute little orphan who sings and dances and is in constant trouble with the authorities. Kindly John Boles adopts her, and older sister Mary, and everything turns out happily. Some cute numbers and some swell songs.

* * *

State's "Happiness Ahead" stars Josephine Hutchinson and Dick Powell in a pleasing yarn about a window cleaner who sings and a rich girl who loves him. Good tunes, clever plot. "$10 Raise," same bill. Eddie Horton as the much-harassed working worm who finally turns.

Eggs, Butter, Hay Higher; Stock Market Ups Again

FARMERS GETTING MORE FOR FORAGE CROP THIS WEEK

Eggs took a slight jump in the Eugene markets Tuesday, New York grade buying prices being a cent a dozen higher in two classes—extras and medium extras. Butter and butterfat were also higher, buying prices for the latter advancing half a cent and the wholesale price of butter was also half a cent better than the day previous.

Farmers are now getting a little more for their hay than at any time during the summer. Cheat was quoted at from $7 to $8 per ton, oats and vetch $11, and alfalfa from $12 to $13 a ton.

PORTLAND BUTTER PRICES ADVANCED

PORTLAND, Ore., Aug. 13.—(AP)—Butter prices responded to the weather's heat and advanced ½c a pound for all scores except first here today. First grade rare is offered upon the Portland print market.

Butterfat automatically made a similar rise. Decreasing make of butter, together with fear of further loss in churning operations, boosted prices.

With a decrease of fresh eggs still showing, market for eggs continued good for fresh stock at least although the word "fresh" is not tolerated under the new state law.

Trading in the chicken market continued steady generally and no changes were shown in the buying or selling quotations for the day. A few dressed turkeys continue to meet demand.

There was favorable trade tone for the better quality cheese produced in the northwest, therefore values are being held at least firm although no changes were shown for the day.

Country killed meats remained firm with recent prices well maintained and hogs selling higher in spots, despite hotter weather.

With Yakima shipping rather freely and espuecially out of the earlier sectors, both cantaloupes and tomatoes were lower priced for the day. Some California stock also added to the weakness but quality of the 'cants from there is not very good.

The bulk of the tomato business during the Tuesday session of the East Side Farmers' wholesale market was a trifle lower. There was a slight increase of Yakimas, which had much to do with the forcing of lower values. Sales of locals were around $1-1.20 box with little at the higher mark while Yakimas were mostly around 90c with a few higher or lower.

Cantaloupe market showed the effects of the fight in the trade Monday when sales were made late down to $1.10 crate for standards. Sales however started at $1.10-1.15 but some recessions were made later.

It didn't take the Seattle combination long to boost the price on lettuce to $1.40 as a result of the heat wave here yesterday which has done considerable damage to the crop.

PORTLAND LIVESTOCK

PORTLAND, Ore., Aug. 13—(AP-USDA)—Hog receipts 200; market slow, mostly 25 lower; extreme top 50 lower, erasing Monday's advance; good to choice 175-215 lb. driveins mostly $11.75, medium around $11.40; 225-280 lbs. $11-11.25; light lights $11-11.50; packing sows mostly $8.50; choice 104-133 lb. feeder pigs $12.50.

Cattle receipts 100; calves 10; market active, steady to strong; few light grass steers $5-6.75; good heavy steers up to $8.00; heifers $4.25-5.50; low cutters and cutter cows $2.50-3.25; common to medium $3.50-4.25; good beef cows $4.50-4.75; young cows to $5.25; bulls $4-4.75; medium vealers $5.50-6.75; choice up to $8.50.

Sheep receipts 100; quality plain; few sales around steady but inquiry broad for fat lambs; good grades quotable up to $6.50, possibly above; few common to medium grade $4.25-5.25; fairly good 72 lb. shorn lambs $5.50; yearlings $4.25-4.50; slaughter ewes $1.75-2.25; yearling ewes up to $3.75.

2,000,000 SHARE TURNOVER AGAIN ELEVATES PRICE

NEW YORK, Aug. 13.—(AP)—Strength of the utilities overshadowed profit taking in other sections of the stock market today and the list closed active and firm.

American Telephone led the upswing with many new highs for the year again in evidence. A late pickup in the Rails and scattered specialties helped sentiment. Transfers approximated 2,350,000 shares.

It was another of the liveliest sessions in around a year. Realizing appeared shortly after the opening, the revival of interest in communications and power and light issues soon caused selling to dry up as many stocks cancelled early losses, replaced them with small gains. Low-priced utilities were turned over in large volume. Numerous industrials were about unchanged.
