CONSTIPATION* MAY BE MORE SERIOUS THAN YOU THINK

It Causes Discomfort, May Even Lead to Disease

Constipation* is not a condition to be treated lightly. Continuous neglect of regular habits of elimination tend to lower your resistance. Then there is the actual discomfort. For constipation* is one cause of headaches, poor appetite, listlessness.

Common constipation usually develops when you eat meals that lack sufficient "bulk." Your system fails to get needed internal exercise. Fortunately, today, you have a generous source of effective "bulk" in Kellogg's ALL-BRAN.

Within the body, the "bulk" in ALL-BRAN absorbs moisture, and forms a soft mass, which gently cleanses the system. This natural laxative food also supplies vitamin B and contains iron.

Serve ALL-BRAN as a cereal, with milk or cream, or cook into muffins, breads, etc. Two tablespoons daily are usually sufficient. Stubborn cases may require ALL-BRAN often. If not relieved this way, consult your doctor.

ALL-BRAN is guaranteed by the Kellogg Company as an effective laxative food for constipation.* Sold by all grocers. Made by Kellogg in Battle Creek.
