

# HOUSE APPROVES TAX BILL REPORT; SENATE RIFT SEEN

By NATHAN ROBERTSON (Associated Press Staff) WASHINGTON, June 20.—(AP)—The house approved the tax bill conference report, 221 to 98, last night and sent that measure, carrying with it hopes of adjournment of congress tonight, to its final barrier—the senate.

The compromise tax plan which broke the long deadlock between house and senate conferees yesterday, was swiftly approved by the machine-like house after brief debate.

It went to a senate where sharply divided sentiment and a disposition in some quarters to filibuster against it, presented a troublesome problem for congressional chieftains determined to send the measure to the White House and adjourn congress tomorrow night.

**Senate Tied Up**  
The senate, where unlimited debate often develops adjournment complexities, was already tied up right by a filibuster against the equally vital treasury-postoffice appropriation bill. Leaders were confident that this tactic would be settled without interfering with adjournment plans.

Soon after the report was brought up in the house, Rep. Samuel B. Hill (D-Wash.) who handled the bill as chairman of a ways and means subcommittee explained it before well-filled galleries.

Representative Treadway (R-Mass.) ranking minority member of the ways and means committee, arose at once to assail it as "the most indefensible thing ever to come before this congress."

**Opposition Cited**  
Answering Treadway, Chairman Doughton (D-N. C.) of the ways and means committee, told the house there were three classes of people opposing the tax bill.

"The first class are those who know nothing about it; the second, those who speak for fortified privilege and third, those who play politics with this sort of legislation and will not bear their just burden of the government's expenses."

The bill is expected to raise about \$500,000,000.  
The compromise called for a graduated tax from 8 to 15 per cent on corporate income, with a surtax from 7 to 27 per cent on undistributed corporation earnings.

**LODGE TO MEET**

## ROMANCERS!

Milton Pillette above and Portia Booth, popular ex-Guild Hall Players who will be featured as the two lovers in the University Summer Theatre production of Sutton Vane's play, "Outward Bound." Their fellow-players call them "half-ways," only one of several mysterious terms which will be explained when the play has its resumption engagement at Guild theatre in the University administration building Friday and Saturday, June 26 and 27.

## "OUTWARD BOUND" TO RETURN FRIDAY

Opening Friday for a two day return engagement will be the University Summer Theatre production of "Outward Bound," Sutton Vane's mystical drama, starring Otilia Turnbull Seybolt and Horace W. Robinson.

Into the plot of "Outward Bound" is woven a cast of widely varied characters, all of them facing a terrifying experience. The ship on which they are passengers is discovered to have no crew, no engine room and no known destination. Henry, the young lover who is, along with Ann, known as a "half-way," puts the situation into words when he says: "Our future here isn't Hell, it isn't Heaven—it's past imagination."

A talented cast of actors will be featured in "Outward Bound." They included, in addition to Mrs. Seybolt who will play Mrs. Midget, and Mr. Robinson who will play Tom Prior; Milton Pillette as Henry; Portia Booth as Ann; Dick Koken; Lingley; Bud Winstead, Scrubby; Gerda Brown, Mrs. Cliveden-Banks; Roy Schwartz, Rev. William Duke; Walden Boyie, Thomson "the examiner." "Outward Bound" will play for two nights only, at Guild Hall, Friday and Saturday, June 26 and 27.

## VETERANS RICHER

PORTLAND, Ore., June 20.—(AP)—Portland veterans found themselves \$1,000,000 wealthier today, and another \$1,500,000 was on the way. The money comprised government checks given in exchange for bonus bonds.

## METHODISTS GIVE SANCTION TO PLAN FOR UNITED FRONT

SEATTLE, June 20.—(AP)—The unification of the Methodist church was approved here today by the Pacific Northwest conference of the Methodist Episcopal church in its eighth annual convention.

The official vote was: Clerical delegates 157 to 1 for unification; lay delegates, 111 to 0 for unification.

The Rev. Frank R. Gillett of Arlington cast the lone opposing vote. Administration Faulty  
Mr. Gillett said he opposed the merger because he believed the proposed administration to be faulty.

He also opposed it on the grounds that the proposed Methodist ministers' governing bodies did not forbid the use of tobacco.

The proposed merger of the church, endorsed by the general Methodist conference in Columbus, Ohio, last May, would unite the National Methodist Episcopal church with the Methodist Episcopal church, South, and the Methodist Episcopal church.

**Merger Expected**  
The merger of the three groups, ministers said, is expected to take place some time during the next three or four years after the individual conferences have voted upon it. The merger would make a combined membership of approximately 8,000,000.

Anniversary of the board of temperance service was conducted by the Rev. E. J. Histon of Tacoma and the Rev. E. A. Fridell of Seattle.

Dr. N. E. Davis, executive secretary of the national conference, conducted the anniversary of the hospitals and homes board.

Reports from the Deaconess hospitals in Spokane and Walla Walla were read.

Fifteen reports from committees were presented during Saturday's session.

## LANDON'S LIFE STORY

(CONTINUED FROM PAGE 1)

REED had a stormy term as governor. In 1930 he came up for reelection. If Landon continued as state chairman he had to be an office-holder, so for the first time his name appeared on a public ballot. He ran for precinct committeeman in Independence.

But the republican party in Kansas was split that year, and Reed, who had made many enemies by his outspokenness or lack of tact, carried Landon down in his own defeat. Landon lost the precinct committee at the primary. The situation was further complicated by the independent candidacy of "Goat Gland" Brinkley, the amazing character who by means of unlimited radio facilities had sold many Kansans on the idea that he would be just as successful ministering to their economic woes as to their glands. In this three-way fight, Democrat Harry Woodring, who is now assistant secretary of war, came out on top.

**DURING** Woodring's two-year term, Landon surveyed the wreck of the state republican machine, and began making major repairs. He began circulating about the state, meeting local leaders here, talking with gas station attendants there, always conciliating, always speaking for a reunited republican party.

By 1932 the machine was ready to run again, but the prospects facing

## THE CHRISTIAN ENDEAVOR

The high school B.Y.P.U. of First Baptist church will meet with the young people's Christian Endeavor society for an outdoor meeting this afternoon and evening. The meeting will start with a swimming party at 2:30 and close with the regular discussion meeting. The topic for discussion is "No! I bet Christ" with Norman Sims and Alvin Durham leading. The meeting will be on the lawn at 1016 Kincaid street. All young people are welcome.

The executive committee of Lane Christian Endeavor union will hold its regular monthly business meeting at 3:00 this afternoon in the chapel of Central Presbyterian church. The new paper will be discussed and final action taken. Also the sectional rallies for the summer will be discussed.

The Christian Endeavor of Central Presbyterian church held their regular social hour in connection with the church night program Friday.

The Christian Endeavor society of Fairmount Church of Christ will have charge of a special church service at the church tonight. Ivan Thompson will lead the song service and Omer Curhan will bring the regular sermon. Laura Hicks will make the announcements and read the scripture lesson. Special music will be provided. New societies will be organized soon at Donna and Waverlyville.

he was the only one re-elected. He campaigned in more orthodox manner, being governor, but the amazing thing was that this time he rolled up a majority of 62,000, ten times that by which he had first been elected.

His campaign was made strictly on the record, a record which has been subject to much critical examination, and will undoubtedly be even more thoroughly combed now that Landon is gunning for higher political game.

**NEXT:** Landon's record as governor of Kansas—it made him a presidential candidate.

**Mr. Simon Home From Seattle Meet**  
Clarence V. Simon, president of the Oregon Funeral Directors association, has returned from Seattle where he attended the meeting of the Washington Funeral Directors association. On Thursday, Mr. Simon was one of the convocation program speakers.

**FROM** that time on he was a marked man, and one or two republican editors, casting their eyes about for a possible presidential candidate in 1936, singled out the man who had done the improbable.

In 1932 Landon was one of two republican governors elected. In 1934

## M'ARTHUR GIVES PHILIPPINES PLAN FOR WAR DEFENSE

By R. P. CRONIN, Jr. (Associated Press Foreign Staff) MANILA, Philippines, Common-wealth, June 20.—(AP)—Major General Douglas McArthur, former United States chief of staff, gave this young commonwealth a defense plan today "to give pause to the most ruthless and powerful."

Gen. McArthur, principal military advisor to the Philippine government, recommended an economical set-up for "an active and carefully planned defense of every foot of short line in the inhabited islands of the Archipelago."

To Cost \$80,000,000  
It envisages an expenditure of \$80,000,000 during the first ten years of its operation, to be appropriated in yearly installments of \$8,000,000. The Philippines will obtain complete independence within that period.

Principally, the plan embraces a fleet of small and fast torpedo boats for coastal defense, an air corps based mainly on fast bombers, and a regular army and reserve corps.

Ultimate strength of the regular army will be about 620 officers and 6500 men, the general said. The reserve corps is to be trained under "universal military service," in schools and out, at the rate of 40,000 a year.

After his report had been transmitted to the national assembly, President Manuel Quezon appointed General MacArthur field marshal of the Philippine army.

**MacArthur Lauded**

## T. A. CHASE HEADS LANE BEAN GROWERS

T. A. Chase was elected president of the Lane County Bean Growers' association at the annual meeting Saturday afternoon at the cafeteria of the Eugene Fruit Growers' association. R. J. Corum was the choice for vice-president and E. L. Cox was elected secretary-treasurer.

A wage scale of 90 cents a bushel, pounds with ten cents held as bonus in cases where bonus is paid, was adopted at the meeting. This is the same wage paid as in 1933 and is five cents more than the price for picking set by the state welfare commission.

The growers are advised they can leave their canners at the red building at their canneries by next Saturday and a state inspector will certify them.

Crop conditions were reported good. A few yards will have beans early but the main crop will begin to come in the latter part of July.

**Petitions Demand Recall of Merriam; Governor Is Silent**  
SACRAMENTO, Cal., June 20.—(AP)—Petitions aimed at recalling Gov. Frank F. Merriam were qualified with the secretary of state today.

They carried 93 names and were believed from Kings county. To obtain a recall election 270,567 signatures must be obtained.

The five grounds stated in the petitions as reasons for which the governor should be removed from office included allegations that he has been controlled by monopolistic lobbyists and professional politicians, and of the citizens and that he has broken faith with the people by plunging the state deeper and deeper into debt in violation of his solemn campaign pledge.

Governor Merriam, now in Los Angeles, when informed of the filing of the petitions said he had no comment to make.

## Bureau Announces Quotas on Salmon

SAN FRANCISCO, June 20.—(AP)—French import quotas on canned salmon, important to North Pacific exporters, was announced today by the bureau of foreign and domestic commerce.

Under the trade agreement effective June 15, the United States' allowance on canned salmon is 1,000 metric tons. The quota is for the last half of the year.

## American Legion To Meet Tuesday

The Eugene post of the American Legion is to hold its meeting Tuesday evening at the armory. Various items of business are slated for the meeting, including further information regarding the drum corps and its activities. Information on the nomination of officers, and nomination of delegates to the state convention, announced Clarence V. Simon, commander.
