"I BLESS THE DAY I GOT VAN-TAGE! IT ROUTED MY AWFUL RHEUMATIC PAINS"

Mr. Beach, of Eugene, Had Such Rheumatic Pain All Through His Body He Couldn't Even Sleep at Night—Whole System Seemed to Be Poisoned—Now He is Praising Van-Tage—Says It Drove Out All His Suffering!

Mr. G. B. BEACH, Prominent Eugene Resident, Who Says: "It Was a Miracle the Way VAN-TAGE Cleared Away Those Terrible Rheumatic Pains! I Gladly Endorse It to All!"

Another Amazing Instance of relief from long-suffering came to light here recently in a statement received from Mr. G. B. Beach, of Route No. 1, Eugene, publicly praising and endorsing VAN-TAGE, the "Amazing Mixture of Nature's Roots and Herbs and Other Splendid Medicinal Agents" now being introduced to crowds daily here in Eugene by a Special Van-Tage Representative, known as The VAN-TAGE Man, at Stevenson's Drug Store, No. 2, S East Broadway. Mr. Beach is a rancher, and is widely-known throughout this whole section. His Amazing Statement, published below, describes the action of Van-Tage better than anything we could possibly write. Read this local man's truthful statement—through and through—and see for yourself what this Great Compound CAN DO!

In Constant Misery With Rheumatic Affliction

"I feel it is my duty to tell others about Van-Tage, for it has given me so much relief that I want EVERYONE to know about it," said Mr. Beach. "I had been suffering from rheumatic pains for a long time, and during the past few months this condition started getting worse. I had this terrible affliction all through my back, across my shoulders, and even in my arms. It seemed to strike me worst of all in my left arm and shoulder, and this arm would get so sore and painful I couldn't even raise it. When I had to use my left arm, I would have to take my right arm and raise the left one up in position before I could use it. It seemed like this rheumatic pain was worse at night, and it caused me so much misery I couldn't sleep and would have to sit up in bed most of the night. What torture I went through with this suffering! My whole system must have been full of poisons, for I always felt half-sick and drowsy. In fact, I felt like I didn't have any strength or energy left in my body.

Terrible Pains Vanish! Calls It a Miracle!

"During all the time I was in this condition I kept trying medicine after medicine, but each time it was the same old story, for they just didn't do me any good at all. When I read of Van-Tage and saw it recom-

mended so highly by so many local people, I decided to try it for myself. And I certainly BLESS THE DAY I found this medicine, for it has made me feel like a new man! It seemed like a MIRACLE the way it cleared the awful rheumatic affliction from my system. My arms, back and shoulders have limbered up wonderfully, and now I can use my left arm and hand without the least effort. In fact, those awful rheumatic pains just seem to have vanished. I'm never bothered with pains at night any more and I can get a good night's sleep for the first time in months. Van-Tage just seemed to cleanse and invigorate my WHOLE SYSTEM, for I don't have that tired feeling any more, and have plenty of pep and energy. I am glad to recommend Van-Tage, for it is one medicine that really does all they claim it will do."

Costs Only Few Cents a Day to Take Van-Tage

SUFFERERS! The price of Van-Tage is reasonable, due to the immense volume in which it sells. You can actually take this Great Compound, with its Many Costly Herbs and Other Wonderful Ingredients, for just a FEW CENTS A DAY! So, if you are a victim of sluggish, irregular bowels; inactive liver; swollen, gaseous stomach; sluggish kidneys; or the awful pains of rheumatic or neuritic trouble, don't put it off any longer. Get Van-Tage TODAY—and start feeling like a Real Human Being once again! A Special Van-Tage Representative, known as The VAN-TAGE Man, is now at Stevenson's Drug Store, No. 2, S East Broadway, here in Eugene, daily meeting crowds of people and introducing and explaining this remarkable Compound. Sold also in Eugene by Stevenson's other two drug stores.
