

Four World Records Eclipsed As Southern California Sweeps Field Events

TROJAN TRACKMEN TAKE TOP HONORS FOR CHAMPIONSHIP

By CHARLES DUNKLEY Associated Press Sports Writer CHICAGO, June 20.—(AP)—Sweeping over a field studded with prospective Olympic stars, athletes from the University of Southern California ran rampant in the national collegiate track and field championships at Stags field today, in which four world records were eclipsed in the two days of competition.

The Trojans, scoring in 14 of the 16 events, amassed a total of 104 1-3 points to annex their second successive championship. Ohio State, led by the sensational negro star, Jesse Owens, who won four events himself for 40 points, was second with 73 points. Indiana was third with 42 and Stanford fourth with 32.

Bettering the world's mark in the 100 meters run, Owens was the individual star of the meet. He opened up his afternoon's performance by winning the broad jump with a leap of 25 feet 10 7-8 inches, captured the 100 meters in 10.2 seconds, won the 200-meter run in 21.3 and concluded his day's efforts with a victory in the 220-yard low hurdles.

Whether Owens' performance in the 100 meters will be applied for as a record is questionable. His time equals that established by Ralph Metcalfe, of Marquette, in 1932 which never obtained recognition. The accepted world and Olympic mark is 10.3 held jointly by Percy Williams of Canada, Eddie Tolson, of Michigan, and Metcalfe.

A new world's record was set when Ken Carpenter, of Southern California, threw the discus 173 feet, bettering the mark of 171 feet 11 8-4 inches set by Harold Anderson of Sweden in 1934.

Archie Williams, University of California, the newest quarter mile sensation, nabbed the 400-meter championship, but in no romp. It was only in the last ten yards that this negro lad, who yesterday cracked the world's record, managed to nose out Fitch of Southern California in 47 flat.

CALIFORNIA BEARS RATED FAVORITES

By BILL KING POUGHKEEPSIE, N. Y., June 20.—(AP)—Undoubtedly the fates of recent short favorites, the rowing clans that descended upon this famous Hudson river resort today cast an almost unanimous vote for California's Golden Bears, and rated all the other six varsity entries for the intercollegiate rowing association regatta as also-rans 48 hours before Monday's four-mile race.

A few outsiders, upon whom recent happenings have made an impression, predicted another East-West battle, in the repeat of last year's varsity race which ended with California crossing the finish line barely ahead of a powerful Cornell crew. Cornell appears much stronger this year.

The cautious experts—and there are many of them hereabouts along the Hudson's banks—have refused to join in the stampede for California. They have been watching all seven well-conditioned eights and concede four of them a winning chance.

The professionals, who make books on the famous test of strength and speed, are even more cautious. They gave top the Washington Huskies on top of their lists along with California, both even money against the field, and the most generous quotation they will give on Cornell is 8-5.

The grouping of Cornell and Washington with California will surprise few of the row-wise. Washington has already beaten the Bears over the three mile route, by more than two lengths in the course record breaking time of 16:08 and the experienced Ithaca sweepers are second to none in the east.

BUDGE IN NET WIN OVER DAVID JONES

LONDON, June 20.—(AP)—Donald Budge, red-haired Oakland, Cal., star, won the men's singles title of the Queen's Club grass court tennis championships today with a 6-4, 6-3 victory over David Jones of New York, former Columbia University star.

Jadwiga Jedrejowska of Poland won the women's singles title with a 6-2, 6-4 victory over Susan Nile of England.

Budge and Gene Mako, of Los Angeles defeated Wilmer Allison, Texas, and Johnny Van Ryn, Philadelphia, 6-3, 6-4 in the finals of the men's doubles.

Portland Hunt Club To Stage Spring Race

PORTLAND, June 20.—(AP)—Thoroughbred and standard bred horses will compete today in the 36th annual Portland Hunt Club spring race. Ten events were on the program, scheduled to start at 2 p. m. Other races will be held tomorrow, 21 in all.

The Astoria riding academy sent several horses to compete against Portland's best. The racing season is the only one in the northwest confined to amateurs.

TELEPHOTO SHOWS RING 'MIRACLE'

Flashed from New York city to the Pacific Coast within a few minutes time, this graphic Acme telephoto shows the erstwhile accepted champion, Joe Louis, halted in his sensational flistic career by the fists of a former champion, Max Schmeling. It happened in the 12th round of their fight in New York. Louis clinging to ropes, is being counted out.

HIGHCLIMBER looks 'em over By BARNEY CLARK

If any more pretty phrases like "a fighting machine" or "the invincible Brown Bomber" come drifting toward the Highclimber, he is going to close his shell-like ears firmly, take a deep breath, and hold it until the odor passes by. Like every other innocent bystander (thank heavens) he swallowed the stuff that poured out from Eastern experts without even pausing to digest it and, ah, what a morning-after!

California and Washington still are rated as the outstanding prospects for the varsity race on the strength of recent time trials.

ELLIOTT-M'SHAIN "NATURAL" SLATED

It's been in the air for a long time. Threats and challenges have flown back and forth, and there have been numerous impromptu scraps. Eugene fans knew that someday it would have to be settled in the ring, for such feuds permit of no arbitration.

Thursday night Lane county sporting followers will know the answer. Harry Elliott, the wrestling-reference and one of the world's greatest scientific middleweights, Saturday night threw down a final challenge—and it was accepted almost immediately by Danny McShain, who, if he isn't the meanest matman in the world, is a close second.

Ever since McShain returned last winter he and Elliott have had difficulty. Handsome Dan has repeatedly assaulted Elliott, and has in turn cried to the commission over some of Harry's decisions.

But Elliott has grown tired of the constant bickering. "Let me meet McShain in the main event Thursday night," he told Herb Owen, "and get all this business over with. If he likes me, well and good. If not, let him kick the living daylight out of him, he'd better not cry about it. He's made the rules. Let's see if he's got guts enough to stick to 'em."

The supporting bouts will be announced next week.

EUGENE TOWNIES TO MEET BARONS IN SUNDAY CLASH

STATE LEAGUE STANDINGS table with columns for Team, W, L, Pct. Teams listed include Toledo, Woodburn, Hop Gold, Salem, Eugene, Bend, Albany.

Eugene's battling Townies, out of the cellar and headed for the top of the league, meet the Hop Gold Bees Barons on Howe field Sunday afternoon at 2:30 in a State league game.

Hop Gold, along with Salem and Woodburn, is tied for second place in the loop. A win for Eugene will move the locals up the ladder to third or better.

Manager Howard Hobson plans to start "Blazing Bob" Wiltshire on the mound, with Harry Cloninger behind the bat. Wiltshire, after a slow start, has hit mid-season form and is expected to turn in a win over the visitors.

Harry McCall will be at first place with Manager Hobson at second. Chuck Wirth, long a Townie star, is hooked to officiate at short stop, with Thompson on third.

Hobson's outfield will be made up of Jack Gordon, Bill Courtney and Mark DeLaunay, all of whom turned in stellar games last week against Bend.

The Hop Gold line-up is largely made up of young players, but Manager Ray Brooks describes them as a bunch of fast, hustling youngsters who are potential pennant threats.

Syracuse Withdraws Jaycees From Race As Result Of Injuries

POUGHKEEPSIE, N. Y., June 20.—(AP)—Only four crews instead of five will row in the junior varsity race at the inter-collegiate regatta here Monday but the varsity battle may be the better for the change.

The Syracuse squad, out to 16 able oarsmen by injuries and illness, met in its boat house yesterday and without consulting Coach Jim Ten Eyck decided to withdraw from the Jaycee event. They decided it would be better to concentrate their remaining strength in the varsity boat to make the best possible showing.

California and Washington still are rated as the outstanding prospects for the varsity race on the strength of recent time trials.

Stunned Experts Scan Aftermath Of Louis Defeat

By ALAN GOULD Associated Press Sports Editor NEW YORK, June 20.—(AP)—Leaving unsettled for the time being the question as to whether Joe Louis, the bombed Bomber, was more shell-shocked today than the survivors of the 20.9 per cent wrong club, the athletic world surveys the results of the upheaval created by Max Schmeling's smashing 12-round knockout victory.

That Schmeling will fight Champion James J. Braddock for the world's heavyweight title, probably the last week in September at the Yankee Stadium.

That Schmeling will return to Germany via the zeppelin airliner, Hindenburg, leaving here next Tuesday night.

That Braddock, with his judgment of Louis and the negro's vulnerability sustained, stood at the head of the heavyweight class without any apologies being offered for him, for the first time since he knocked the crown off the curly head of Max Baer a year ago.

That Louis, despite the shocking unexpectedness of his downfall, is by no means "through" and will start a comeback campaign, possibly by August, with a view to fighting his way back into the championship picture by 1937.

That the sports-writing fraternity, while ungrudging in its tribute to Schmeling for his great fight and freely admitting the error of under-estimating the German's comeback prowess, stuck by its guns with a chorus of "If we had to do it all over again, we would still pick Louis."

Milligan's Nine Wins Unofficial Softball Opener

Eugene softball stars, who Monday evening will begin their annual flickering beneath the high lights at the university softball diamond, unofficially opened the 1936 night season Friday night in a nine-inning battle on the grass field.

The aggregation, composed for the most part, of last year's kitten ball artists, were captured by Scott Milligan and "Speedball" Bill Jones, who served on the mounds for their respective nines. Gordon Ridings, who last year could get out but one hit during the entire season, laced out three bingles in four trips to the plate to lead the attack of the Milliganites who finished the unofficial tilt on the long end of a 9 to 6 score.

Benton Threatens To Take Springfield Nine

The game will be played on the Benton-Lane field.
