Here's Haven For Tired Housewives; Camp Begins Aug. 11

No meals to prepare! No dishes to wash! No darning, mending, or baking to do! Homemakers, rural and urban, of Lane county who would like a few days in a quiet spot near the Pacific ocean, with nothing to do but swim, play, eat and sleep, have just such a treat prepared for them.

The annual homemakers' camp will be held from August 11 to 16 at Camp Clearwater, three miles south of Florence on the Oregon Coast highway, and all homemakers over the age of 18 years are eligible. Registration opens this week with Miss Lois Lutz, county home demonstration agent and camp director, in charge.

As if a complete rest from household duties would not be enough for most homemakers, Miss Lutz has arranged for camp fires, with singing, stunts and other entertainment in the evenings; crafts in the morning for those who desire to do handwork; swimming instruction and walks to the ocean in the afternoon. Sunday, August 16, will be family day with relatives of campers invited.

Miss Lutz, whose telephone number is 63, has offices in the public market building on Charnelton street, between West Broadway and Tenth avenue west, and will answer inquiries concerning camp, and accept registrations of interested homemakers.

EUGENE WAR VETERAN IS NOW PRAISING VAN-TAGE; CONSTIPATION RELIEVED

Bowels Seemed Almost Paralyzed—Ordinary Laxatives Didn't Help Stomach Full of Gas and Acid—Now Mr. Gulsig, of Onyx St., Says Great Van-Tage Ended Suffering!

"VAN-TAGE Worked Wonders For Me!" Says Mr. M. R. Gulsig, Widely Known Eugene War Veteran. Amazing Statement Below Tells How It Relieved 10 Long Years of Stomach Gas, Constipation!

Bowels Seemed Paralyzed; Gas, Acid in Stomach!

"For 10 years I had been a victim of the worst kind of stomach trouble and constipation," said Mr. Gulsig. "As soon as I put any kind of food in my stomach, trouble started. Acid and gas would form in my stomach and I would feel so much that I could hardly bend over. The pressure against my heart and lungs almost stifled me and I would have to gasp for breath. Had terrible pains in stomach and intestines. After I ate I would feel so sick and nauseated I could hardly keep my food down—often had to vomit it up. In fact, this happened several times a day. The least bit of exertion would make my stomach worse and made me sick and I got so I was afraid to do any work or take any exercise. My bowels seemed almost PARALYZED. I was so constipated. Unless I took something for them every day I would have headaches and feel dizzy. ALL OVER I couldn't take ordinary laxatives like most people, for they wouldn't do me any good at all. Had to take extra strong laxatives to get any action, and my bowels always felt raw and irritated from these, but I just couldn't do without them."

Van-Tage Worked Wonders! Misery Now Relieved!

"I tried everything that was ever made for my kind of trouble but none of them did me any good and I sure was discouraged. Then I heard about Van-Tage and started taking it, and it actually WORKED."

VAN-TAGE is now being introduced and explained to crowds daily here in Eugene at Stevenson's Drug Store, No. 2, 8 East Broadway. Sold also in Eugene by Stevenson's other two drug stores.

WONDERS with me! It gave me the first real relief I ever got. I never have that pain in my stomach any more. The acid and gas are practically GONE, and I don't have that pressure and stuffy feeling in my chest or that bloating around my waistline. No more vomiting spells and exertion doesn't make me sick or nauseated. Have a good appetite and can eat anything I want. In fact, since taking Van-Tage I haven't found anything I couldn't eat! My bowels are now stronger and healthier than they have been for YEARS, and I don't need those awful laxatives any more. I didn't believe a medicine as mild as Van-Tage could cleanse and regulate a man's bowels when they were in the condition mine were in. Van-Tage sure proved to be the right medicine for my trouble and I am sure that if others who suffer as I did will get this medicine and take it, it will be the right medicine for them, too."

Anybody Can Afford to Take the Van-Tage!

SUFFERERS! All you weak, miserable, headache, rundown, constipated people—you DON'T HAVE TO SUFFER any longer! Van-Tage, with its 21 Great Natural Herbs and Other Splendid Medicinal Ingredients, is within the reach of EVERY SUFFERING PERSON in this city. Due to the immense volume in which it sells, the price is so reasonable that you can actually take Van-Tage for just a few cents a day! So don't hesitate. Get Van-Tage—NOW—and start taking it!
