STEELS CONTINUE BACKWARD; LABOR SITUATION CLOUDY

NEW YORK, July 1.—Specialty and preferred stocks were given a boost of fractions to around 4 or more points in today's stock market, but the rest of the list generally shifted for itself at lower levels. Westinghouse reported 7 at its best.

Most of the steels were still backward as the labor situation continued cloudy. Chrysler and the other Motors appeared to have halted for a breathing spell. The close was irregular. Transfers were around \$50,000 shares.

Horrible Stomach Gas And Rheumatic Affliction!

"What you call indigestion, trouble and rheumatic misery, that I know I am that very person, for all I had done for the last 8 or 10 years was to take medicine for these ailments," said Mrs. Brown. "My meals seemed to sour in my stomach and bloated me up with so much gas that I thought my insides were going to BURST. This gas pressed on my heart and put me in so much pain with my chest that I was always having terrible dizzy spells and sick headaches. Rheumatic pains caused me more suffering than anything else, for my WHOLE SYSTEM seemed to be poisoned and full of this awful affliction. Those pains would strike me first in one arm and then in the other and then they would go into my hips, and I also had them in my knees and even in my back and across my chest. Most every night these pains were so bad I could hardly move, and this together with my stomach gas would cause me to spend many nights of agony."

"Van-Tage Does All That Is Claimed For It!"
