THE CHRISTIAN ENDEAVOR

By ALVIN DURHAM

The Bible Study club will meet Wednesday evening for a swimming party and discussion hour at 10th and Kincaid streets. This group is open to all who are interested and all young people are invited. Winners will be roasted during the evening.

The Junior Christian Endeavor of the Cottage Grove Church of Christ elected the following officers to serve until March 1937: president, June Eastburn; vice president, Rosemary Theis; secretary, Lucille Eastburn; and treasurer, Virginia Lee. The other officers will be appointed later.

The Intermediate society from the church also elected officers to serve until March 1937. Martha Theis was elected president, with the following help: Robert Moody, vice president; Mrs. Etta Moon, secretary; Kenneth Biggs, treasurer; and Thelma Breggren, Alma Magnusson, Mary Lou Vance, and Agnes Moon as committee chairmen. Richard Henderson is the song leader.

The Bethany Evangelical church held a social at the church Friday evening.

The Young People's society spent the Fourth on Spencer's butte.

Stanley Mallory has been duly elected Lookout chairman of the young people's Christian Endeavor of the Waverly Church of Christ. The group held a "hard time" party at the church last Saturday evening. Bread and butter sandwiches were served.

The margin of DOUBT

THE "margin of doubt" is about five minutes on either side of the minute hand. It causes gobbled meals, and missed trains. The "margin of doubt" is unnecessary. Entrust your watch only to repair men who take pride in finished craftsmanship. Never give it to those whose fingers stumble in their haste to "get the job over with" at a "bargain price."

By the same token, buy your new watch here. America's finest HAMILTONS, for instance.

His Poor Eyesight Betrays Him.

Of the twenty-five million school children in America, five million or more have defective or ineffective vision and of these only one million have taken steps to have their defects remedied, according to a recent study completed by the Better Vision Institute.

SIXTEEN PER CENT of the school children in this country are suffering from some kind of eye deficiency, handicapped in their struggle for an education, barred from the usual success and satisfaction in life, through no responsibility of their own, and in most cases they are unaware of the cause of all of their troubles and worries.

A thorough, scientific eye refraction, FREE, will solve their problems. In Eugene since 1915.
