

Blitz-Weinhard Nine Takes Second Straight Victory To Eliminate Hop Go

OREGON TITLE GOES TO BEERMEN WITH NINTH INNING RALLY

PORTLAND, Ore., July 21.—(AP)—Blitz-Weinhard scored three runs in the ninth to defeat Hop Gold, 9 to 8, here last night for the Oregon semi-pro baseball championship.

The game concluded a tournament which started three weeks ago. Clyde Heller, Blitz outfielder, who drove in the winning runs of the Beer Barons' 4 to 1 victory Sunday night in the first game of the championship playoff, was again the hero last night. His long single to center scored Joe Gray and Joe Leptich with the tying and winning tallies.

Blitz piled up a five-run lead in the first four and a half innings only to drop behind, 8 to 6, when the youthful Hop Gold club scored three in its half of the fifth, matched a Blitz-Weinhard tally in the sixth, and blasted four runs in a hectic seventh.

A long homer over the left field wall by Wellington (Wimpy) Quinn accounted for three of the seventh-inning runs.

Prizes for individual performance during the tournament were awarded to Bishop of General Motors, outstanding catcher; Miller of Hop Gold, outstanding pitcher; and Williamson, Hop Gold, outstanding hitter with 12 hits.

Last night's score:
Blitz-Weinhard 9 9 1
Hop Gold 8 13 5
Hein, Ault and Leptich; Robert, Miller and Lamer.

JOE MEETS JACK IN AUGUST BOUT

NEW YORK, July 21.—(AP)—Joe Louis, conqueror of two former heavyweight champions and beaten by another in his meteoric rise and fall, is to get a chance against a fourth ex-champion.

The Brown Bomber, knocked out by Max Baer and Primo Carnera for the full count, has been matched against Jack Sharkey, the Boston veteran who is treading the comeback trail, for a ten-round bout at the Yankee Stadium, Aug. 18.

For Louis the bout will be a chance to show whether the defeat he suffered at the hands of the German took any of the power from the fists that spread destruction among the heavyweights until he met Schmeling. Since the Schmeling fight, Louis has been on a Michigan farm, keeping in condition.

A victory over Louis would put Sharkey, now 33 years old, right back into the thick of the heavyweight picture, now dominated by Champion Jimmy Braddock and Schmeling. Sharkey will begin training in Boston at once, later moving to a camp near New York. Louis is expected to come here within the next ten days to complete his conditioning.

Broken Jaw No Handicap

CHICAGO, July 21.—(AP)—Police officers who made a routine investigation after Richard Howell, 21, appeared at a hospital for treatment of a broken jaw, found he was a lad who could take it—and dish it out, too. The officers learned Howell's jaw was broken in the second round of a boxing match with "Sonny" Barton, 22, at Marigold Gardens, but that Howell won the decision after six rounds.

GREAT GOLF By ART KRENZ

WHEN the player hurries the backswing, timing of the shot is thrown out of gear, and the harder he tries to hit the ball, the worse the results. A checkup will show that the backswing is not completed, and the player is not taking a full free turn in starting the downswing before the backswing is completed. When this takes place, the golfer throws too much body into the swing. Instead of allowing the body to turn slowly so that the arms can do the swinging. This is often referred to as "biting with the stomach." To make a real golf swing for a full shot," says Helen Hicks, "the body must turn well around to the right. The weight must be dropped over mostly on the right leg, with the left side, from the waist down, relaxed.

TO BERLIN BY AIR!

Robert Clark seems to have fairly taken off in this picture, yet his 25 feet 2 1/2 inch broad jump placed the Olympic Club of San Francisco athletes no better than third, behind Jesse Owens of Ohio State and John W. Brooks of Chicago Parks, in the final Olympic Games tryouts at Randall's Island Stadium. It was good enough to win Clark a trip to Berlin, however.

A. O. C. Approves European Trips For Olympic Contestants; Boatload Looks Forward to Sight of Land

By HENRY McLEMORE Copyright 1936 By United Press

ABOARD S. S. MANHATTAN. At Sea, July 21.—(AP)—America's Olympic athletes, bound for the games in Berlin opening August 1, looked forward to their first sight of land today since departing from New York last Wednesday.

The Manhattan was scheduled to pull into Plymouth, Eng., for a two-hour stop-over at approximately 4:30 p. m., B. S. T. (11:30 a. m., E. D. T.). A two-hour stop was made before dawn today at Cobh, Ireland, to dispatch and pick up mail but none of the athletes were on deck. All of them were refused permission to have a look at the harbor, tomorrow.

The Manhattan is due at Havre. The team is due at Hamburg some time Thursday. It was tentatively decided yesterday that the athletes would stay there until Friday and then depart for the Olympic village in Berlin by train. Avery Brundage, president of the American Olympic committee, after conferring with Captain Harry Manning, decided there would be too many details to handle to allow departure for Berlin on Friday.

Back to Normal Two Washington oarsmen who lost weight because of seasickness were back to normal today. They were Don Hume, stroke, and Herb Morris, bow. They gained five and six pounds respectively.

Yesterday's late developments included naming of assistant track and field coaches and approval of several side-trips after the Olympics.

Brutus Hamilton, University of California, was named assistant in charge of the Decathlon men, shot-putters, Glenn Cunningham, Kansas miler, and Archie Williams, California 400-meter runner.

Lee Bartlett of Union City, Mich., winner of the javelin tryouts, was named to handle those athletes. It was the first time an athlete was placed in charge of a team.

Dean Cromwell, University of Southern California, will coach his men on the team. He also will handle the discus-throwers, 400-meter runners and pole vaulters.

E. C. Hayes, University of Indiana, was put in charge of the half-mile runners, steeplechasers, hurdlers and 5000 and 10,000 meter men. George V. Brown of Boston will coach the 50,000 meter walkers and marathon runners. Lawson Robertson, head coach of the Olympic forces, will handle the sprinters and relay runners.

A few other divisions still remain to have coaches named but Robertson is expected to fill those posts.

Final tryouts for the No. 1 position on the wrestling team were scheduled to start today aboard ship. With two wrestlers on the squad for each division, the list must be cut in half to give the United States the required single entrant in each weight class.

The A. O. C. yesterday approved a trip of 49 track and field men to compete in the British Empire games in London Aug. 15; 25 will go to Paris for a triangular meet with French and Japanese athletes on Aug. 23; 15

CARDS HAVE EDGE ON PACE-SETTERS IN FOREIGN TILTS

By ORLO ROBERTSON (Associated Press Sports Writer)

It may not be very encouraging to fans of the pace setting Chicago Cubs but the facts are, the St. Louis Cardinals have a slight edge on the National league champions so far this year in their games on foreign fields.

As the two clubs, separated by only one game on the losing side, invaded the east today the Cardinals not only had played more games away from home but had a better percentage. They pointed to a road record of 21 victories as against 15 defeats for a percentage of .583 while the Cubs had won 16 of their 29 games away from Wrigley field for an average of .522.

The schedule calls for the Cubs and the Gas House Gang to make a trip around the eastern half of the circuit before returning to Chicago Aug. 4 to open a four-game series than may go a long way toward setting the National league pennant. Today's schedule placed Chicago in Brooklyn and the Cards at the Polo grounds against the Giants.

Yanks Go West While the National league clubs continued their warfare on the eastern front, the New York Yankees marched into the west, the target for three first division clubs, two of them red-hot, and the St. Louis Browns.

The Yanks, after breaking even in 14 games at the stadium, opened their western invasion against the Browns with a nine game lead over the fast stepping Indians.

If the ball they played in the east is any criterion, then Cleveland is the team Lou Gehrig and company must fear. The Indians dropped only two games in 12 contests to climb from fifth place to the runner-up position.

The Chicago White Sox did even better. Buried in sixth place on July 9, they started combining hitting with good pitching and when they arrived at Comiskey park today looked back on a record that numbered 11 victories, eight in a row, as compared to only a pair of setbacks.

RUBES THREATENED BY SURPRISE RALLY

The Morning News softball nine shocked the over-confident Rubenstein team as they forced the league-leaders to come from behind for the first time this season to win 7 to 4 in a game played on the softball diamond last night.

Rubenstein's were coasting along on a 3 to 1 lead until the fifth inning when Pete Taylor, first up for the News, was safe on Mikulak's error.

Diets drew a walk, bringing up Doc Taylor who got the first extra base hit of the season off Bill Jones. He hit a home run between left and center field.

Behind 4 to 3, Rubenstein's jumped back into the lead when Jones tripled to score Wirth and Van Vliet in the next inning.

Chuck Wirth again led the hitting, gathering 4 singles in 4 trips to the plate for Rubenstein's while Doc Taylor, News catcher, got 2 of the 4 hits off Jones.

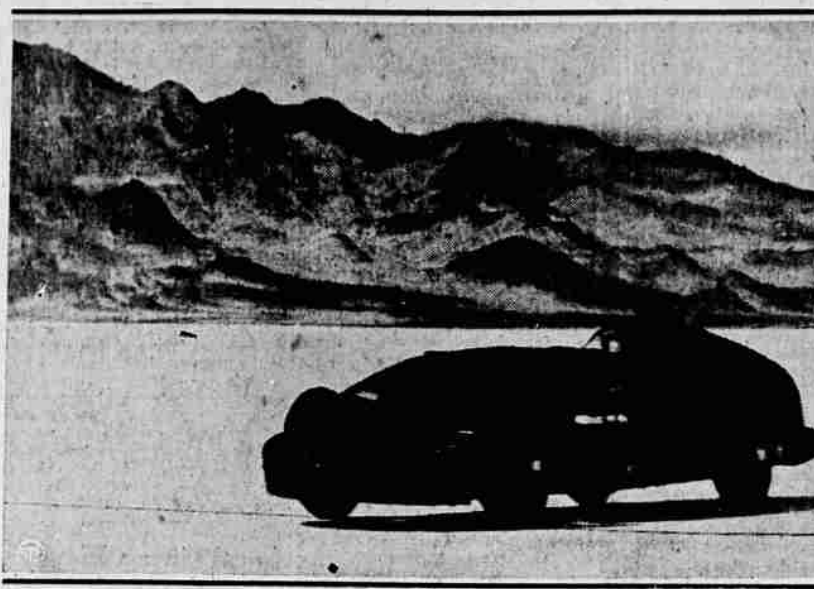

Tonight's double header, starting at 8:15, will see Rigs' and Fenn's tangle in the first game while Hendershott's will try to hand Rubenstein's their first defeat of the season.

LEGION-TOWNIE TILT ROSEBURG WARM-UP

Frank Fassett's "Black Legion" juniors will take the field against the Townies in a practice tilt, on the University diamond Tuesday evening at 5:30. "Gloomy Frank" is sending his lads out in this stiff unofficial game to toughen them up for the scheduled battle with the Roseburg Huskies Sunday at the fairgrounds.

Fassett declares that his boys will have their hands full taking the Huskies into camp, pointing out that Igoe, despite his excellent pitching against Roseburg, failed to strike out as many batters as Elliott, the rival hurler, and ascribing the Eugene victory to luck in fielding.

The southern city turned out a crowd of 500 for the game last Sunday and Fassett hopes to equal the number in the coming Sunday contest. If a third tilt becomes necessary, it will be given to Eugene only if local fans have indicated sufficient support to justify it.

A game between the Eugene and Roseburg midgeets has been set for 3 o'clock Friday. Boys who did not make this year's Legion squad are asked to report at the University field for practice at 6 p. m. Wednesday.

LIGHTHORSE HARRY TOPS ST. PAUL OPEN

ST. PAUL, July 21.—(AP)—The seven year old St. Paul \$5000 open golf tournament looked today like Lighthouse Harry Cooper's own particular field of activity as he pocketed the \$1200 first prize for the third time.

The Chicago professional came par and young Dick Metz of Evanston, Ill., a lacing in the playoff yesterday. Cooper shooting 135 for two tours of the 72-par Keller course against Metz' 139.

Metz trounced par plenty himself, with 71 for the morning round and 68 in the afternoon, but it was no match for Cooper's spectacular 66 and 69. Both had scores of 277-11 strokes under par for 72 holes—at the close of regular play Sunday.

Cooper's matter was in the form it dispayed Sunday when he set the course record of 63. Metz had no such help and five times he rimmed the cup or stopped inches short with eagles and birdies in sight.

fighting circles of the northwest and other parts of the country several years ago, found his come-back attempt checked today. He lost an eight round decision to Pal Silvers, Brooklyn heavyweight. An eight-count sojourn on the canvas in the first round spoiled Leo's chances.

"Poor Man's Golf Show," Headed By Truck Driver, Stock Clerk; Team Play Led By Torrid Brooklyn Four

By PAUL MICKELSON Associated Press Sports Writer

FARMINGDALE, N. Y., July 21.—(AP)—The golfing butcher, baker, undertaker, doctor and wine taster took out after a truck driver, stock clerk, employment manager and gasoline station attendant as the annual scramble for medal honors in the national public links championship moved into its second and final 18-hole stretch today.

So closely bunched in the race for both team and medal reward was the record breaking field of 222 starters from all sections of the nation that everything had the air of a big toss-up. Not one played of the "poor man's golf show" was a favorite, whereas the team championship was so close that eight quartets were separated by only ten shots.

On the basis of scoring class, the twin leaders of the race for the medal were two youngsters from Cleveland—Johnny Racey, a stock clerk and Jimmy Gaapio, who drives a truck as well as a golf ball. Johnny and Jimmy posted par 72's on the Blue course of the ritzy Beth Page layout yesterday for perfect performances.

Ahead of them by one shot were Mike Dolan, gasoline station attendant from Philadelphia and Frank Connolly, employment bureau manager for the city of Detroit, but their 71's were scored over the Red course where par stands at 70. Two courses were used, the field playing 18 holes on each, because of its unwieldy numbers.

Brooklyn, led by 20-year-old Frank Strafaci who is out to win the individual crown for the second year in a row, was ahead in the torrid four man team fight, decided over the 36-hole qualifying round.

The Brooklynite's 18-hole total was 299, but a shot behind came Seattle with one of its best teams in history. San Antonio, defending team champion with a new quartet of birdie collectors, ranked third with 301. San Francisco had 302 and Detroit had 307. Of the 47 teams, only 50 shots separated first and last place.

All Occupations Pressing the leaders for the the medal came golfers of all occupations from all parts of the country. Leaders on the Blue course included John Babis, Detroit and 17-year-old Arthur Owen, Jacksonville, Fla., who had 73. Six Blue course shooters with 74's included Harry Umbinetti, Seattle, and Pat Abbott, Pasadena, Cal.

Leaders from the Red course included Jack Thurmond, San Antonio, Tex., and Jack Evans, New Rochelle, N. Y., with 72's; Lionel Wendland, San Antonio; Jimmy Mollnar, San Francisco, and Frank Strafaci, defending titleholders from Brooklyn, with 73's.

First round: Scores of Portland's four entrants: Arlo G. Kyle, 39-38-77; Louis C. Cyr, 41-36-77; Tab Boyer, 39-39-79 and Bert O. French 40-41-81.

Approximately 2,500,000 cars were sold in the United States last year. Of these, 2,000,000 are accounted for by fewer than 100 dealers. "but, as far as I know, no payments for those who own their equipment around."
