DANGEROUS STOMACH GAS ALMOST SMOTHERED HER! VAN-TAGE GAVE RELIEF

Mrs. Broughton, Widely Known Oregon Lady, Had Years of Misery With Awful Stomach Gas — Pressure Almost Smothered Her — Liver Was Sluggish, Inactive — Now She Praises Great Van-Tage For Amazingly Quick Relief!

MRS. E. M. BROUGHTON, Who Says: "VAN-TAGE Gave Me Wonderful Relief! All My Stomach Gas Misery Is Gone! I Can't Praise This Medicine Too Highly!"

Never before in local history, say Leading Druggists, has any medicine created such a sensation here in Eugene as has VAN-TAGE. This "Amazing Mixture of Nature's Roots and Herbs and Other Splendid Medicinal Agents" is now being introduced to crowds daily in this city at Stevenson's Drug Stores, No. 3, at 1016 Willamette and No. 1, at 704 Willamette. All over Eugene and throughout this entire section people are praising this Remarkable Compound and saying, "I never saw anything like VAN-TAGE. It relieved me after many other medicines HAD FAILED. I don't know what I would have done without it!"

For instance, just a few days ago, Mrs. E. M. Broughton, of 2140 University, Salem, Ore., made the following statement about Van-Tage, describing its action, telling what it did for her, and urging all poor, suffering people to get this Great Medicine and take it. Read this widely known lady's testimonial. Read every word of it, and find out what Van-Tage CAN DO!

Horrid Stomach Gas Kept Her in Awful Misery

"I have had liver and stomach trouble for the past 3 or 4 years so bad that I thought I would die," said Mrs. Broughton. "My meals would not digest like they should, but would lay in my stomach and form gas which crowded around my heart and almost cut off my breath. At times I thought I would just SMOTHER TO DEATH from this awful gas pressure. My liver was in very bad condition. I always felt sluggish and nauseated. Couldn't walk any distance at all on account of my heart, and was terribly short of breath and the least little thing would exhaust me and tire me out."

"I saw in the paper what Van-Tage was doing for so many people, so I got a bottle and started taking it. The relief I got is WONDERFUL! It cleared out that old gas misery from my stomach. Now I can eat a hearty meal and not suffering afterward. The gas doesn't press up-

against my heart like it did and that horrible smothering sensation is a thing of the past. I can walk as far as I want to without being exhausted or short of breath. What a blessed relief that is! Last Sunday I walked to Church, a distance of about two miles, and it didn't tire me one bit! This medicine also made my liver work fine. I never feel sick or nauseated like I did. I can't praise Van-Tage highly enough for the good it has done for me. I hope everyone who suffers with troubles like mine will hear about this wonderful medicine and take it."

How the 21 Great Herbs in Van-Tage Help You

VAN-TAGE contains 21 Great Natural Herbs, and nearly a dozen other Splendid Medicinal Agents. Herbs act almost like magic on the Human System. They cleanse bowels, clear gas and pain from stomach, act on sluggish liver and kidneys, relieve awful rheumatic and neuritic pain. Weak, miserable rundown people soon feel like different men and women. And remember—due to the immense volume in which it sells, the price of Van-Tage is reasonable. It costs only a FEW CENTS A DAY to take this Amazing Formula, so don't hesitate. Get Van-Tage—NOW—and start feeling like a Real Human Being again!

VAN-TAGE is now being introduced and explained to crowds daily here in Eugene at Stevenson's Drug Stores, No. 3, at 1016 Willamette and No. 1 at 704 Willamette.
