"Now I can even make Round Steak as tender and juicy as real expensive meat"

"AT LAST I can really broil and my meats are just delicious. I can even make round steak as tender and juicy as real expensive cuts. Instead of cooking all the juice out, my gas broiler sears the juice in and keeps all the steak gravy right in the steak."
(Signed) MRS. A. B. HOLLENSTAIN

Enjoy a New
MONTAG
Circulator Heater
in your home this year!

Now you can have
**Comfort,
Beauty...
plus
Economy**

Your Old Heater is
DOWN PAYMENT

For a limited time we are making this special offer so that every home in this territory can have economical heating comfort this winter and for many years to come.

Beauty, plus Economy!

The new Montag Circulator Heater models are modern in design. Finished in walnut-grained porcelain enamel. They add to the appearance of any room. Built to give many years of satisfactory service—designed to economically burn the fuel most satisfactory in this territory.

Freedom from Household Drudgery!

A Montag Circulator Heater will assist you in cutting down the tasks of housework. Properly fueled, it will furnish warmth in your home for a much longer time than ordinary heaters. There will be no need for boxes of fuel sitting in your living room to create dirt and dust. There will be less sweeping—less dusting.

There is a Montag Circulator Heater model for every home—a type, a size, a style for every requirement. Models for burning wood and coal, or for wood exclusively.
