Christian Science

"Is the Universe, Including Man, Evolved by Atomic Force?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, Dec. 20.

The Golden Text was: "Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands" (Hebrews 1: 10).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For the Lord is a great God, and a great King above all gods. The sea is his, and he made it; and his hands formed the dry land. O come, let us worship and bow down; let us kneel before the Lord our maker" (Ps. 95: 3, 5, 6).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "By its own volition, not a blade of grass springs up, not a spray buds within the vale, not a leaf unfolds its fair outlines, not a flower starts from its cloistered cell. The Science of being reveals man and immortality as based on Spirit" (p. 101).

Hunt Club Slates Meeting Tuesday

Because Christmas and New Year's holidays both fall on Friday this year, the Eugene Hunt club has abandoned its regular meetings on Thursday evenings for the next two weeks.
