THE DIRTIEST
GUY WE KNOW

WHO IS HE?

SANITARY

Sanitation, unlike Beauty, is more than skin deep. A coat of paint is just the start in a modern Bakery such as ours. Every operation, from unloading flour, yeast and other raw materials to our own delivery trucks, must be guarded 100% against any hint of contamination. This fight is continuous . . . every minute of our operating day.

For Health's Sake Ask Your Grocer
For Milky Way or Betsy Ross Bread

This answer wins an additional \$1.00 Award

Our "see it made" contest, which closed last October, created so much interest that we are continuing to run one of the answers each week and awarding an extra prize. This week's winner is FRED E. LAMB, 760 High St., Eugene.

His answer to the question, "I am going to use Korn's Betsy Ross and Milky Way breads from now on because:" is "After seeing Korn's Bakery in operation I am convinced that Korn's products are of the best ingredients and made under the most rigid sanitary conditions."
