PUBLIC ENEMY NO. 1

THE MEANEST MAN IN TOWN

WHO IS HE?

CARBON!

THE DIRTIEST GUY WE KNOW

THE BIRD THAT GUMS UP THE WORKS

YOUR MOTOR'S WORST ENEMY

Now Destroyed by Sensational New Richlube

DESTROY the carbon in your car! Drive out this arch-enemy that causes your engine to knock, that contaminates your oil supply, that gums up your valves. Do it in the simplest way possible—by merely draining your crankcase and refilling with NEW RICHLUBE. RICHLUBE means rich lubrication. Richlube has always applied this name to its finest motor oil. NEW RICHLUBE is the result of five years' testing—it has won its spurs by licking the toughest lubrication jobs in the West in competition with all-comers—every brand of oil sold on the Pacific Coast today! It has the highest film strength of any competitive oil.

Selected crude oils and a special refining process have made NEW RICHLUBE a great motor oil. The addition of an exclusive patented compound that softens carbon and dissolves gum makes it an even greater motor oil. These are the factors that enable Richlube to overcome the effects of carbon—to drive it out of your motor!

There had to be a development to meet the needs of modern motor cars—NEW RICHLUBE is it! The ideal motor oil for present-day motor cars! NEW RICHLUBE is sold in attractive blue and cream cans—at the new low price of 25c per quart.

Drain and refill with NEW RICHLUBE—and feel the difference in the way your car runs. Try NEW RICHLUBE today—at your neighborhood Richfield station.
